78B-3-406, as renumbered and amended by Laws of Utah 2008, Chapter 3

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78B-3-406 is amended to read:**78B-3-406. Failure to obtain informed consent -- Proof required of patient -- Defenses -- Consent to health care.**

(1) When a person submits to health care rendered by a health care provider, it is presumed that actions taken by the health care provider are either expressly or impliedly authorized to be done. For a patient to recover damages from a health care provider in an action based upon the provider's failure to obtain informed consent, the patient must prove the following:

(a) that a provider-patient relationship existed between the patient and health care provider;

(b) the health care provider rendered health care to the patient;

(c) the patient suffered personal injuries arising out of the health care rendered;

(d) the health care rendered carried with it a substantial and significant risk of causing the patient serious harm;

(e) the patient was not informed of the substantial and significant risk;

(f) a reasonable, prudent person in the patient's position would not have consented to the health care rendered after having been fully informed as to all facts relevant to the decision to give consent; and

(g) the unauthorized part of the health care rendered was the proximate cause of personal injuries suffered by the patient.

(2) In determining what a reasonable, prudent person in the patient's position would do under the circumstances, the finder of fact shall use the viewpoint of the patient before health care was provided and before the occurrence of any personal injuries alleged to have arisen from said health care.

(3) It shall be a defense to any malpractice action against a health care provider based upon alleged failure to obtain informed consent if:

(a) the risk of the serious harm which the patient actually suffered was relatively minor;

(b) the risk of serious harm to the patient from the health care provider was commonly known to the public;

(c) the patient stated, prior to receiving the health care complained of, that he would accept the health care involved regardless of the risk; or that he did not want to be informed of the matters to which he would be entitled to be informed;

(d) the health care provider, after considering all of the attendant facts and circumstances, used reasonable discretion as to the manner and extent to which risks were disclosed, if the health care provider reasonably believed that additional disclosures could be expected to have a substantial and adverse effect on the patient's condition; or

(e) the patient or his representative executed a written consent which sets forth the nature and purpose of the intended health care and which contains a declaration that the patient accepts the risk of substantial and serious harm, if any, in hopes of obtaining desired beneficial results of health care and which acknowledges that health care providers involved have explained his condition and the proposed health care in a satisfactory manner and that all questions asked about the health care and its attendant risks have been answered in a manner satisfactory to the patient or his representative.

(4) The written consent shall be a defense to an action against a health care provider based upon failure to obtain informed consent unless the patient proves that the person giving the consent lacked capacity to consent or shows by clear and convincing evidence that the execution of the written consent was induced by the defendant's affirmative acts of fraudulent misrepresentation or fraudulent omission to state material facts.

(5) This act may not be construed to prevent any person 18 years of age or over from refusing to consent to health care for his own person upon personal or religious grounds.

(6) Except as provided in Section 76-7-304.5, the following persons are authorized and empowered to consent to any health care not prohibited by law:

(a) any parent, whether an adult or a minor, for the parent's minor child;

(b) any married person, for a spouse;

(c) any person temporarily standing in loco parentis, whether formally serving or not, for the minor under that person's care and any guardian for the guardian's ward;

(d) any person 18 years of age or over for that person's parent who is unable by reason of age, physical or mental condition, to provide such consent;

(e) any patient 18 years of age or over;

(f) any female regardless of age or marital status, when given in connection with her pregnancy or childbirth;

(g) in the absence of a parent, any adult for the adult's minor brother or sister; ~~and~~

(h) in the absence of a parent, any grandparent for the grandparent's minor grandchild[-];

(i) an emancipated minor as provided in Section 78A-6-805;

(j) a minor who has contracted a lawful marriage;
and

(k) an unaccompanied homeless minor, as that term is defined in the McKinney-Vento Homeless Assistance Act of 1987, Pub. L. 100-77, as amended, who is 15 years of age or older.

(7) A person who in good faith consents or authorizes health care treatment or procedures for another as provided by this act may not be subject to civil liability.

Section 10. Section 75-10-204 is enacted to read:

75-10-204. Exception to presumption of unlimited authority.

Unless the terms of the instrument creating a power of appointment manifest a contrary intent, the power is nongeneral if:

(1) the power is exercisable only at the powerholder's death; and

(2) If a powerholder may exercise a power of appointment only with the consent or joinder of an adverse party, the power is nongeneral.

(3) If the permissible appointees of a power of appointment are not defined and limited, the power is exclusionary.

Section 12. Section 75-10-206 is enacted to read:

75-10-206. Donor's power to revoke or amend.

A donor may revoke or amend a power of appointment unless or to the extent the instrument creating the power is made irrevocable by the donor or the exercise of a presently exercisable power has been irrevocably made or effected.

Part 3. Exercise of Power of Appointment

75-10-301. Requisites for exercise of power of appointment.

(2) if the terms of the instrument exercising the power:

(a) manifest the powerholder's intent to exercise the power; and

(b) satisfy the requirements of exercise, if any, imposed by the donor; and

(3) to the extent the appointment is a permissible exercise of the power.

Section 14. Section 75-10-302 is enacted to read:

75-10-302. Intent to exercise -- Determining intent from residuary clause.

(1) As used in this section:

(a) "Residuary clause" does not include a residuary clause containing a blanket-exercise clause or a specific-exercise clause.

(b) “Will” includes a codicil and a testamentary instrument that revises another will.

(2) A residuary clause in a powerholder’s will, or a comparable clause in the powerholder’s revocable trust, manifests the powerholder’s intent to exercise a power of appointment only if:

(a) the terms of the instrument containing the residuary clause do not manifest a contrary intent;

(b) the power is a general power exercisable in favor of the powerholder’s estate;

(c) there is no gift-in-default clause or the clause is ineffective; and

(d) the powerholder did not release the power.

(2) if the powerholder is also the donor of the power, the clause does not extend to the power unless there is no gift-in-default clause or the gift-in-default clause is ineffective.

Section 16. Section 75-10-304 is enacted to read:

75-10-304. Compliance with donor-imposed formal requirements.

(1) A powerholder’s compliance with formal requirements of appointment imposed by the donor is sufficient only if the powerholder substantially complies with the conditions, requirements, and formalities set forth in the power of appointment, including complying with all the requirements for making specific reference to the power, that the power shall be exercised in a specific document such as a will, or that the document exercising the power shall be witnessed or notarized. If the donor limited the powerholder’s exercise to a validly executed will, substantial compliance may not include the exercise of the power by a trust or another document not meeting the requirements of a properly executed will.

(2) Unless required by the instrument creating the power, the probate of a properly executed will is not required for the exercise of a power to be valid and complete.

Section 17. Section 75-10-305 is enacted to read:

75-10-305. Permissible appointment.

(1) A powerholder of a general power of appointment that permits appointment to the powerholder or the powerholder’s estate may make any appointment, including an appointment in

trust or creating a new power of appointment, that the powerholder could make in disposing of the powerholder’s own property.

(2) A powerholder of a general power of appointment that permits appointment only to the creditors of the powerholder or of the powerholder’s estate may appoint only to those creditors.

(3) Unless the terms of the instrument creating a power of appointment manifest a contrary intent, the powerholder of a nongeneral power may:

(a) make an appointment in any form, including an appointment in trust, in favor of a permissible appointee;

Section 21. Section 75-10-309 is enacted to read:

75-10-309. Capture doctrine -- Disposition of ineffectively appointed property under general power.

To the extent a powerholder of a general power of appointment, other than a power to withdraw property from, revoke, or amend a trust, makes an ineffective appointment:

(1) the gift-in-default clause controls the disposition of the ineffectively appointed property; or

(2) if there is no gift-in-default clause or to the extent the clause is ineffective, the ineffectively appointed property:

(a) passes to:

(i) the powerholder if the powerholder is a permissible appointee and is living; or

(ii) if the powerholder is an impermissible appointee or is deceased, the powerholder's estate if the estate is a permissible appointee; or

(b) if there is no taker under Subsection (2)(a), passes under a reversionary interest to the donor or the donor's transferee or successor in interest.

Section 22. Section 75-10-310 is enacted to read:

75-10-310. Disposition of unappointed property under released or unexercised general power.

To the extent a powerholder releases or fails to exercise a general power of appointment other than a power to withdraw property from, revoke, or amend a trust:

(1) the gift-in-default clause controls the disposition of the unappointed property; or

(2) if there is no gift-in-default clause or to the extent the clause is ineffective:

(a) except as otherwise provided in Subsection (2)(b), the unappointed property passes to:

(i) the powerholder if the powerholder is a permissible appointee and is living; or

(ii) if the powerholder is an impermissible appointee or is deceased, the powerholder's estate if the estate is a permissible appointee; or

(2) if there is no gift-in-default clause or to the extent the clause is ineffective, the unappointed property:

(a) passes to the permissible appointees if:

(i) the permissible appointees are defined and limited; and

(ii) the terms of the instrument creating the power do not manifest a contrary intent; or

(b) if there is no taker under Subsection (2)(a), passes under a reversionary interest to the donor or the donor's transferee or successor in interest.

75-10-312. Disposition of unappointed property if partial appointment to taker in default.

Unless the terms of the instrument creating or exercising a power of appointment manifest a contrary intent, if the powerholder makes a valid partial appointment to a taker in default of appointment, the taker in default of appointment may share fully in unappointed property.

Section 25. Section 75-10-313 is enacted to read:

75-10-313. Appointment to taker in default.

If a powerholder makes an appointment to a taker in default of appointment and the appointee would have taken the property under a gift-in-default clause had the property not been appointed, the power of appointment is considered not to have been exercised and the appointee takes under the clause.

Section 26. Section 75-10-314 is enacted to read:

75-10-314. Powerholder's authority to revoke or amend exercise.

Unless the terms of the instrument creating the power of appointment or the instrument exercising the power of appointment provide that the exercise is irrevocable or unamendable, a powerholder may revoke or amend an exercise of a power of appointment made by an instrument effective during the life of the powerholder where the exercise is to become effective at some future time or contingency and where that future time and contingency has not yet occurred, as long as the revocation or amendment is done with the same formality as the original exercise of the power of appointment.

A powerholder of a releasable power of appointment may release the power in whole or in part:

(ii) may levy an assessment only for the actual costs that are reasonable; and

(iii) shall levy an assessment on a benefitted property in an amount that reflects an equitable portion, subject to Subsection (1)(b), of the benefit the property will receive from an improvement, operation and maintenance, or economic promotion activities for which the assessment is levied.

(b) The local entity, in accounting for a property's benefit or portion of a benefit received from an improvement, operation and maintenance, or economic promotion activities, shall consider:

(i) any benefit that can be directly identified with the property; and

(ii) the property's roughly equivalent portion of the benefit that is collectively shared by all the assessed properties in the entire assessment area or classification.

(c) The validity of an otherwise valid assessment is not affected by the fact that the benefit to the property from the improvement does not increase the fair market value of the property.

(2) [The] Subject to Subsection (4), the assessment method a governing body uses to calculate an assessment may be according to frontage, area, taxable value, fair market value, lot, parcel, number of connections, equivalent

residential unit, or any combination of these methods, or any other method as the governing body considers appropriate to comply with Subsections (1)(a) and (b).

(3) A local entity that levies an assessment under this chapter for an improvement:

(a) shall:

(iii) pay for any increase in size or capacity that serves property outside of the assessment area with funds other than those levied by an assessment;

(b) may:

(i) use different methods for different improvements in an assessment area;

(ii) assess different amounts in different classifications, even when using the same method, if acquisition or construction costs differ from classification to classification;

(iii) allocate a corner lot allowance under Subsection (3)(a)(ii) to all other benefitted property within the assessment area by increasing the assessment levied against the other assessed property in the same proportion as the improvement is assessed;

(iv) to comply with Subsection (1)(a), levy an assessment within classifications; and

(v) assess property to replace improvements that are approaching or have exceeded their useful life or to increase the level of service of an existing improvement; and

(c) may not:

(ii) except for in a voluntary assessment area or as provided in Subsection (3)(b)(v), assess a property for an improvement that would duplicate or provide a reasonably similar service that is already provided to the property.

(a) shall:

(i) subject to Section 11-42-408, levy the assessment on each benefitted property; and

benefitted property, meets the requirements of Subsection (1)(a);

(i) levy an assessment only on commercial or industrial real property; and

(ii) create classifications based on property use, or other distinguishing factors, to determine the estimated benefit to the assessed property;

(i) office lease rates;

(ii) retail sales rates;

(iii) customer base;

(iv) public perception;

(v) hotel room rates and occupancy levels;

(vi) property values;

(vii) the commercial environment from enhanced services;

(viii) another articulable method of estimating benefits; or

(ix) a combination of the methods described in Subsections (4)~~[(b)]~~(c)(i) through (viii); and

~~[(c) subject to Subsection (4)(d), shall use an assessment method that, when applied to a benefitted property, meets the requirements of Subsection (1)(a); and]~~

(d) may not use taxable value, fair market value, or any other assessment method based on the value of the property as the sole assessment method.

(5) A local entity may levy an assessment that would otherwise violate a provision of this chapter if the owners of all property to be assessed voluntarily enter into a written agreement with the local entity consenting to the assessment.

(6) A local entity may allocate the cost of a benefit received by an unassessed benefitted government property to all other benefitted property within the assessment area by increasing the assessment levied against the other assessed property in the same proportion as the improvement, operation and maintenance, or economic promotion activities are assessed.

(b) (i) An appropriator or the appropriator's successor in interest may file an application for nonuse with the state engineer.

~~(ii) If a person described in Subsection (2)(b)(i) files and receives approval on a nonuse application, nonuse of the water right subject to the application is not counted toward a seven-year period described in Subsection (2)(a) during the period of time beginning on the day on which the person files the application and ending on the day on which the application expires without being renewed.]~~

~~(iii) If a person described in Subsection (2)(b)(i) files and receives approval on successive, overlapping nonuse applications, nonuse of the water right subject to the applications is not counted toward a seven-year period described in Subsection (2)(a) during the period of time beginning on the day on which the person files the first application and ending on the day on which the last application expires without being renewed.]~~

~~(iv) Approval of one or more nonuse applications, or successive overlapping nonuse applications, does not protect a water right that is already subject to forfeiture under Subsection (2)(a) for full or partial nonuse of the water right, nor does the approval of one or more nonuse applications constitute beneficial use of the water for purposes of calculating the 15-year period in Subsection (2)(e)(i-).]~~

~~(ix) The filing or approval of a nonuse application or a series of nonuse applications under Subsection (3) does not:~~

~~(A) constitute beneficial use of a water right;~~

~~(B) protect a water right that is already subject to forfeiture under this section; or~~

~~(C) bar a water right owner from:~~

~~(I) using the water under the water right as permitted under the water right; or~~

~~(II) claiming the benefit of Subsection (2)(e) or any other forfeiture defense provided by law.~~

~~(c) (i) Except as provided in Subsection (2)(e)(ii), a water right or a portion of the water right may not be forfeited unless a judicial action to declare the right forfeited is commenced:~~

~~(A) within 15 years from the end of the latest period of nonuse of at least seven years[-]; or~~

~~(B) within the combined time of 15 years from the end of the most recent period of nonuse of at least~~

~~seven years and the time the water right was subject to one or more nonuse applications.~~

~~(ii) (A) The state engineer, in a proposed determination of rights filed with the court and prepared in accordance with Section 73-4-11, may not assert that a water right was forfeited unless [a] the most recent period of nonuse of seven years ends or occurs:~~

~~(I) during the 15 years immediately preceding the day on which the state engineer files the proposed determination of rights with the court[-]; or~~

~~(II) during the combined time immediately preceding the day on which the state engineer files the proposed determination of rights consisting of 15 years and the time the water right was subject to one or more approved nonuse applications.~~

~~(B) After the day on which a proposed determination of rights is filed with the court a person may not assert that a water right subject to that determination was forfeited [during the 15-year period described in Subsection (2)(e)(ii)(A),] before the issuance of the proposed determination, unless the state engineer asserts forfeiture in the proposed determination, or a person [makes], in accordance with Section 73-4-11, makes an objection to the proposed determination that asserts forfeiture.~~

~~(iii) A water right, found to be valid in a decree entered in an action for general determination of rights under Chapter 4, Determination of Water Rights, is subject to a claim of forfeiture based on a seven-year period of nonuse that begins after the day on which the state engineer filed the related proposed determination of rights with the court, unless the decree provides otherwise.~~

~~(iv) If in a judicial action a court declares a water right forfeited, on the date on which the water right is forfeited:~~

~~(A) the right to beneficially use the water reverts to the public; and~~

~~(B) the water made available by the forfeiture:~~

~~(I) first, satisfies other water rights in the hydrologic system in order of priority date; and~~

~~(i) permitted to run to waste; or~~

~~(ii) beneficially used by others without right with the knowledge of the water right holder.~~

~~(e) This section does not apply to:~~

~~(i) the beneficial use of water according to a lease or other agreement with the appropriator or the appropriator's successor in interest;~~

(iii) those periods of time when a surface water or groundwater source fails to yield sufficient water to satisfy the water right;

(iv) a water right when water is unavailable because of the water right's priority date;

(A) the water is stored for present or future beneficial use; or

(B) storage is limited by a safety, regulatory, or engineering restraint that the appropriator or the appropriator's successor in interest cannot reasonably correct;

(vii) except as provided by Subsection (2)(g), a water right:

(A) (I) owned by a public water supplier;

(II) represented by a public water supplier's ownership interest in a water company; or

(III) to which a public water supplier owns the right of beneficial use; and

(B) conserved or held for the reasonable future water requirement of the public, which is determined according to Subsection (2)(f);

(viii) a supplemental water right during a period of time when another water right available to the appropriator or the appropriator's successor in interest provides sufficient water so as to not require beneficial use of the supplemental water right; or

(ix) a period of nonuse of a water right during the time the water right is subject to an approved change application where the applicant is diligently pursuing certification.

(f) (i) The reasonable future water requirement of the public is the amount of water needed in the next 40 years by:

(B) as required in Section 45-1-101.

(ii) The notice shall:

(A) state that an application has been made; and

(B) specify where the interested party may obtain additional information relating to the application.

(c) Any interested person may file a written protest with the state engineer against the granting of the application:

(i) within 20 days after the notice is published, if the adjudicative proceeding is informal; and

(ii) within 30 days after the notice is published, if the adjudicative proceeding is formal.

(d) In any proceedings to determine whether the nonuse application should be approved or rejected, the state engineer shall follow the procedures and requirements of Title 63G, Chapter 4, Administrative Procedures Act.

(e) After further investigation, the state engineer may approve or reject the application.

(4) (a) The state engineer shall grant a nonuse application on all or a portion of a water right for a period of time not exceeding seven years if the applicant shows a reasonable cause for nonuse.

(b) A reasonable cause for nonuse includes:

(ii) physical causes or changes that render use beyond the reasonable control of the water right owner so long as the water right owner acts with reasonable diligence to resume or restore the use;

(iii) the initiation of water conservation or efficiency practices, or the operation of a groundwater recharge recovery program approved by the state engineer;

(iv) operation of legal proceedings;

(v) the holding of a water right or stock in a mutual water company without use by any water supply entity to meet the reasonable future requirements of the public;

(vi) situations where, in the opinion of the state engineer, the nonuse would assist in implementing an existing, approved water management plan; or

(vii) the loss of capacity caused by deterioration of the water supply or delivery equipment if the applicant submits, with the application, a specific plan to resume full use of the water right by replacing, restoring, or improving the equipment.

(5) (a) Sixty days before the expiration of a nonuse application, the state engineer shall notify the applicant by mail or by any form of electronic communication through which receipt is verifiable, of the date when the nonuse application will expire.

(b) An applicant may file a subsequent nonuse application in accordance with this section.

Section 2. Section 73-1-4.5 is amended to read:

73-1-4.5. Authorization for water companies to allocate water rights lost by forfeiture or nonuse -- Redemption and retirement of water shares.

(1) (a) If a water right, to which a [mutual] water company holds title, ceases or is lost due to forfeiture or abandonment for lack of beneficial use, in whole or in part, the water company shall, through procedures consistent with this section, and as defined in the company's articles of incorporation or bylaws, apportion the loss to each stockholder whose failure to make beneficial use caused the loss of the water right.

(b) The water company shall make an apportionment if [~~the Utah Division of Water Rights or~~] a court of proper jurisdiction makes a final decision that a loss has occurred.

(c) The water company shall also reduce the amount of water provided to the shareholder in proportion to the amount of the lost water right during an appeal of a decision that reduced the company water rights, unless otherwise ordered by a court of proper jurisdiction.

(d) The water company may take any action under this Subsection (1), whether the loss occurred:

(i) under Utah Code Annotated Section 73-1-4, including losses that occur as part of a general determination under Title 73, Chapter 4, Determination of Water Rights; or

(ii) through any other decision by a court of proper jurisdiction.

(2) (a) If the water company apportions a water right under Subsection (1), a sufficient number of shares to account for the water right lost, including necessary transport or "carrier water" losses, shall be treated by the water company as shares redeemed by the company from the stockholder responsible for the loss.

(b) The number of shares owned by that shareholder shall be reduced accordingly on the records of the company.

(c) Upon the redemption, the authorized shares of the company shall be reduced by the amount of shares that were redeemed under this Subsection (2).

(3) The redemption and retirement under this section of shares belonging to a stockholder does not relieve the stockholder of liability for unpaid assessments on the stock or debts the shareholder may owe to the water company.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 62A-11-307.1 is amended to read:**62A-11-307.1. Collection directly from responsible parent.**

(1) The office may issue or modify an order under Section 62A-11-304.2 and collect under this part directly from a responsible parent if the procedural requirements of applicable law have been met and if public assistance is provided on behalf of that parent's dependent child. (2) An order issuing or modifying a support obligation under Subsection (1), issued while public assistance was being provided for a dependent child, remains in effect and may be enforced by the office under Section 62A-11-306.1 after provision of public assistance ceases.

(3) (a) The office may issue or modify an administrative order, subject to the procedural requirements of applicable law, that requires that obligee to pay to the office assigned support that an

obligee receives and retains in violation of Subsection 62A-11-307.2(4) and may reduce to judgment any unpaid balance due.

(b) The office may collect the judgment debt in the same manner as it collects any judgment for past-due support owed by an obligor.

(4) Notwithstanding any other provision of law, the Office of Recovery Services shall have full standing and authority to establish and enforce child support obligations against an alleged parent currently or formerly in a same-sex marriage on the same terms as the Office of Recovery Services' authority against other mothers and fathers.

Section 2. Section 78B-6-120 is amended to read:**78B-6-120. Necessary consent to adoption or relinquishment for adoption.**

(1) Except as provided in Subsection (2), consent to adoption of a child, or relinquishment of a child for adoption, is required from:

(a) the adoptee, if the adoptee is more than 12 years of age, unless the adoptee does not have the mental capacity to consent;

(b) a man or woman who:

(i) by operation of law under Section 78B-15-204, is recognized as the father or mother of the proposed adoptee, unless:

(A) the presumption is rebutted under Section 78B-15-607; or

(B) the man or woman was not married to the mother of the proposed adoptee until after the mother consented to adoption, or relinquishment for adoption, of the proposed adoptee; or

(ii) is the father of the adoptee by a previous legal adoption;

(c) the mother of the adoptee;

(d) a biological parent who has been adjudicated to be the child's biological father by a court of competent jurisdiction prior to the mother's execution of consent to adoption or her relinquishment of the child for adoption;

(e) consistent with Subsection (3), a biological parent who has executed and filed a voluntary declaration of paternity with the state registrar of vital statistics within the Department of Health in accordance with Title 78B, Chapter 15, Utah Uniform Parentage Act, prior to the mother's execution of consent to adoption or her relinquishment of the child for adoption;

(f) an unmarried biological father, of an adoptee, whose consent is not required under Subsection (1)(d) or (1)(e), only if he fully and strictly complies with the requirements of Sections 78B-6-121 and 78B-6-122; and

(g) the person or agency to whom an adoptee has been relinquished and that is placing the child for adoption.

(2) (a) The consent of a person described in Subsections (1)(b) through (g) is not required if the adoptee is 18 years of age or older.

(b) The consent of a person described in Subsections (1)(b) through (f) is not required if the person's parental rights relating to the adoptee have been terminated.

(3) For purposes of Subsection (1)(e), a voluntary declaration of paternity is considered filed when it is entered into a database that:

(a) can be accessed by the Department of Health; and

(b) is designated by the state registrar of vital statistics as the official database for voluntary declarations of paternity.

Section 3. Section 78B-15-201 is amended to read:

78B-15-201. Establishment of parent-child relationship.

(1) (a) The mother-child relationship is established between a woman and a child by:

~~[(a)]~~ (i) the woman's having given birth to the child, except as otherwise provided in Part 8, Gestational Agreement;

~~[(b)]~~ (ii) an adjudication of the woman's maternity;

~~[(c)]~~ (iii) adoption of the child by the woman; ~~[(e)]~~

~~[(d)]~~ (iv) an adjudication confirming the woman as a parent of a child born to a gestational mother if the agreement was validated under Part 8, Gestational Agreement, or is enforceable under other law~~[-]; or~~

~~[(e)]~~ (v) an un rebutted presumption of maternity of the child established in the same manner as under Section 78B-15-204.

(b) In this chapter, the presumption of maternity shall be treated the same as a presumption of paternity as established in Subsection 78B-15-201(2)(a).

(2) The father-child relationship is established between a man and a child by:

(a) an un rebutted presumption of the man's paternity of the child under Section 78B-15-204;

(b) an effective declaration of paternity by the man under Part 3, Voluntary Declaration of Paternity Act, unless the declaration has been rescinded or successfully challenged;

(c) an adjudication of the man's paternity;

(d) adoption of the child by the man;

(e) the man having consented to assisted reproduction by a woman under Part 7, Assisted Reproduction, which resulted in the birth of the child; or

(f) an adjudication confirming the man as a parent of a child born to a gestational mother if the agreement was validated under Part 8, Gestational Agreement, or is enforceable under other law.

Section 4. Section 78B-15-607 is amended to read:

78B-15-607. Limitation -- Child having presumed father.

(1) Paternity of a child conceived or born during a marriage with a presumed father, as described in Subsection 78B-15-204(1)(a), (b), or (c), may be raised by the presumed father ~~[(e)]~~, the mother, or a support enforcement agency at any time ~~[(prior to)]~~ before filing an action for divorce or in the pleadings at the time of the divorce of the parents.

(a) If the issue is raised prior to the adjudication, genetic testing may be ordered by the tribunal in accordance with Section 78B-15-608. Failure of the mother of the child to appear for testing may result in an order allowing a motherless calculation of paternity. Failure of the mother to make the child available may not result in a determination that the presumed father is not the father, but shall allow for appropriate proceedings to compel the cooperation of the mother. If the question of paternity has been raised in the pleadings in a divorce and the tribunal addresses the issue and enters an order, the parties are estopped from raising the issue again, and the order of the tribunal may not be challenged on the basis of material mistake of fact.

(b) If the presumed father seeks to rebut the presumption of paternity, then denial of a motion seeking an order for genetic testing or a decision to disregard genetic test results shall be based on a preponderance of the evidence.

(c) If the mother seeks to rebut the presumption of paternity, the mother has the burden to show by a preponderance of the evidence that it would be in the best interests of the child to disestablish the parent-child relationship.

(d) If a support enforcement agency seeks to rebut the presumption of parentage and the presumptive parent opposes the rebuttal, the agency's request shall be denied. Otherwise, the denial of the agency's motion seeking an order for genetic testing or a decision to disregard genetic test results shall be based on a preponderance of the evidence, taking into account the best interests of the child.

(2) For the presumption outside of marriage described in Subsection 78B-15-204(1)(d), the presumption may be rebutted at any time if the tribunal determines that the presumed father and the mother of the child neither cohabited nor engaged in sexual intercourse with each other during the probable time of conception.

(3) The presumption may be rebutted by:

(a) genetic test results that exclude the presumed father;

(b) genetic test results that rebuttably identify another man as the father in accordance with Section 78B-15-505;

(c) evidence that the presumed father and the mother of the child neither cohabited nor engaged in sexual intercourse with each other during the probable time of conception; or

(d) an adjudication under this part.

(4) There is no presumption to rebut if the presumed father was properly served and there has been a final adjudication of the issue.

F. Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

SECTION 9. RULEMAKING

A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

B. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within 4 years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

C. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

D. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least thirty (30) days in advance of the meeting at which the rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

2. A state or federal governmental subdivision or agency; or
3. An association having at least twenty-five (25) members.

H. If a hearing is held on the proposed rule or amendment, the Commission shall publish the

3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

4. Protect public health and safety.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be

subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

2. All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this Compact which may affect the powers, responsibilities or actions of the Commission.

3. The Commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:

a. Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the Commission; and

b. Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's Legislature, and each of the member states.

4. A state that has been terminated is responsible for all assessments, obligations, and liabilities

incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.

6. The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and non-member states.

2. The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of administrative rule on the day the Compact becomes law in that state.

C. Any member state may withdraw from this Compact by enacting a statute repealing the same.

1. A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this Compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 12. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any party state, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.

Section 4. Section 58-24c-103 is enacted to read:

(b) Notwithstanding a request from the commissioner, if the insurer is a member of an insurance group, the insurer shall submit the one or more reports required by this Subsection (1) if the commissioner is the lead state commissioner of the insurance group as determined by the procedures within the Financial Analysis Handbook adopted by the National Association of Insurance Commissioners.

(2) The one or more reports required under Subsection (1) shall include a signature of the insurer’s or insurance group’s chief risk officer or other executive having responsibility for the oversight of the insurer’s enterprise risk management process attesting to the best of the executive’s belief and knowledge that:

Section 16. Section 31A-16a-106 is enacted to read:

31A-16a-106. Exemption.

(1) An insurer shall be exempt from the requirements of this chapter, if:

(b) the insurance group of which the insurer is a member has annual direct written and unaffiliated assumed premium, including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$1,000,000,000.

(2) If an insurer qualifies for exemption pursuant to Subsection (1)(a), but the insurance group of which the insurer is a member does not qualify for exemption pursuant to Subsection (1)(b), the ORSA summary report that is required pursuant to Section 31A-16a-105 shall include every insurer within the insurance group. This requirement may be satisfied by the submission of more than one ORSA summary report for any combination of insurers provided any combination of reports includes every insurer within the insurance group.

(3) If an insurer does not qualify for exemption pursuant to Subsection (1)(a), but the insurance group of which it is a member qualifies for exemption pursuant to Subsection (1)(b), the only ORSA summary report that may be required pursuant Section 31A-16a-105 shall be the report applicable to that insurer.

(4) An insurer that does not qualify for exemption pursuant to Subsection (1) may apply to the commissioner for a waiver from the requirements of this chapter based upon unique circumstances. In deciding whether to grant the insurer's request for waiver, the commissioner may consider the type and volume of business written, ownership and organizational structure, and any other factor the commissioner considers relevant to the insurer or insurance group of which the insurer is a member. If the insurer is part of an insurance group with insurers domiciled in more than one state, the commissioner shall coordinate with the lead state commissioner and with the other domiciliary commissioners in considering whether to grant the insurer's request for a waiver.

(5) Notwithstanding the exemptions stated in this section:

(a) the commissioner may require that an insurer maintain a risk management framework, conduct an own risk and solvency assessment, and file an ORSA summary report based on unique circumstances, including the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests; or

(b) the commissioner may require that an insurer maintain a risk management framework, conduct an own risk and solvency assessment and file an ORSA summary report if the insurer has risk-based capital for company action level event as set forth in Sections 31A-17-601 through 31A-17-613, meets one or more of the standards of an insurer considered to be in hazardous financial condition as defined in Section 31A-27a-101, or otherwise exhibits qualities of a troubled insurer as determined by the commissioner.

(6) If an insurer that qualifies for an exemption pursuant to Subsection (1) subsequently no longer qualifies for that exemption due to changes in premium as reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance group of which the insurer is a member, the insurer has one calendar year following the calendar year the threshold is exceeded to comply with the requirements of this chapter.

Section 17. Section 31A-16a-107 is enacted to read:

31A-16a-107. Contents of ORSA summary report.

(1) The ORSA summary report shall be prepared consistent with the ORSA guidance manual, subject to the requirements of Subsection (2). Documentation supporting information shall be maintained and made available upon examination or upon request of the commissioner.

(ii) specify that ownership of information shared with the National Association of Insurance Commissioners or a third-party consultant pursuant to this chapter remains with the commissioner, and that the National Association of Insurance Commissioners' or a third-party consultant's use of the information is subject to the direction of the commissioner;

(iii) prohibit the National Association of Insurance Commissioners or third-party consultant from storing the information shared pursuant to this chapter in a permanent database after the underlying analysis is completed;

(vi) in the case of an agreement involving a third-party consultant, provide for the insurer's written consent.

(4) The sharing of information or a document by the commissioner pursuant to this chapter does not constitute a delegation of regulatory authority or rulemaking, and the commissioner is solely responsible for the administration, execution, and enforcement of this chapter.

(5) A waiver of an applicable claim of confidentiality in a document, proprietary and trade-secret material, or other information related to an own risk and solvency assessment may not occur as a result of disclosure of the own risk and solvency assessment related information or a document to the commissioner under this section or as a result of sharing as authorized in this chapter.

(6) A document, material, or other information in the possession or control of the National Association of Insurance Commissioners or a third-party consultant pursuant to this chapter is:

(a) confidential, not a public record, and not open to public inspection; and

The maximum penalty under this section is a penalty permitted under Section 31A-2-308. The commissioner may reduce the penalty if the insurer demonstrates to the commissioner that the imposition of the penalty would constitute a financial hardship to the insurer.

Section 20. Section 31A-16a-110 is enacted to read:

31A-16a-110. Severability Clause.

If a provision of this chapter, or the application of this chapter to any person or circumstance, is held invalid, the invalidation does not affect the provisions or applications of this chapter that can be given effect without the invalid provision or application, and to that end the provisions of this chapter are severable.

(C) shall require the qualified jurisdiction to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction; and

(D) may not recognize a jurisdiction as a qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards.

(ii) The commissioner may consider additional factors in determining a qualified jurisdiction.

(iii) A list of qualified jurisdictions shall be published through the National Association of Insurance Commissioners' Committee Process and the commissioner shall:

(A) consider this list in determining qualified jurisdictions; and

(iv) United States jurisdictions that meet the requirement for accreditation under the National Association of Insurance Commissioners' financial standards and accreditation program shall be recognized as qualified jurisdictions.

(v) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner may suspend the reinsurer's certification indefinitely, in lieu of revocation.

(e) The commissioner shall:

(i) assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies considered acceptable to the commissioner by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act; and

(ii) publish a list of all certified reinsurers and their ratings.

(f) A certified reinsurer shall secure obligations assumed from United States ceding insurers under this Subsection (8) at a level consistent with its rating, as specified in rules made by the commissioner in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(ii) If a certified reinsurer maintains a trust to fully secure its obligations subject to Subsections (5), (6), and (7), and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this Subsection (8) or comparable laws of other United States jurisdictions and for its obligations subject to Subsections (5), (6), and (7).

(iii) It shall be a condition to the grant of certification under this Subsection (8) that the certified reinsurer shall have bound itself[;]:

(A) by the language of the trust and agreement with the commissioner with principal regulatory oversight of the trust account[;]; and

(B) upon termination of the trust account, to fund, ~~upon termination of the trust account,~~ out of the remaining surplus of the trust, any deficiency of any other ~~the~~ trust account.

(iv) The minimum trustee surplus requirements provided in Subsections (5), (6), and (7) are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this Subsection (8), except that the trust shall maintain a minimum trustee surplus of \$10,000,000.

(v) With respect to obligations incurred by a certified reinsurer under this Subsection (8), if the security is insufficient, the commissioner:

(vi) For purposes of this Subsection (8), a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure 100% of its obligations.

(A) As used in this Subsection (8), the term "terminated" refers to revocation, suspension, voluntary surrender, and inactive status.

(B) If the commissioner continues to assign a higher rating as permitted by other provisions of this section, the requirement under this Subsection (8)(f)(vi) does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.

(ii) defer to the rating assigned by that jurisdiction; and

(iii) consider such reinsurer to be a certified reinsurer in this state.

(h) (i) A certified reinsurer that ceases to assume new business in this state may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business.

(ii) An inactive certified reinsurer shall continue to comply with all applicable requirements of this Subsection (8).

(iii) The commissioner shall assign a rating to a reinsurer that qualifies under this Subsection (8)(h), that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(9) Reinsurance credit may not be allowed a domestic ceding insurer unless the assuming insurer under the reinsurance contract submits to the jurisdiction of Utah courts by:

(a) (i) being an admitted insurer; and

(ii) submitting to jurisdiction under Section 31A-2-309;

(b) having irrevocably appointed the commissioner as the domestic ceding insurer's agent for service of process in an action arising out of or in connection with the reinsurance, which appointment is made under Section 31A-2-309; or

(10) Submitting to the jurisdiction of Utah courts under Subsection (9) does not override a duty or right of a party under the reinsurance contract, including a requirement that the parties arbitrate their disputes.

(11) If an assuming insurer does not meet the requirements of Subsection (3), (4), or (5), the credit permitted by Subsection (6) or (8) may not be allowed unless the assuming insurer agrees in the trust instrument to the following conditions:

The number of weighted pupil units in the minimum school program for each year is the total of the units for each school district and, subject to Section 53A-1a-513, charter school, determined as follows:

(1) The number of units is computed by adding the average daily membership of all pupils of the school district or charter school attending schools, other than kindergarten and self-contained classes for children with a disability.

(b) Upon local education board approval, the number of pupils in average daily membership at the short-term kindergarten shall be counted for the purpose of determining the number of units allowed in the same ratio as the number of days the short-term kindergarten is held, not exceeding nine weeks, compared to the total number of days schools are held in that school district or charter school in the regular school year.

(d) (i) The amount of state guarantee money ~~[which]~~ that a school district would otherwise be entitled to receive under Subsection (6)(c) may not be reduced for the sole reason that the school district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 due to changes in property valuation.

(ii) Subsection (6)(d)(i) applies for a period of two years following the change in the certified tax rate.

(e) Beginning January 1, 2012, a local school board may not impose a tax in accordance with this Subsection (6).

(ii) Subsection (7)(b)(i) applies for a period of two years following the change in the certified tax rate.

Section 21. Section 53A-17a-133 is amended to read:

53A-17a-133. State-supported voted local levy authorized -- Election requirements -- State guarantee -- Reconsideration of the program.

(1) As used in this section, "voted and board local levy funding balance" means the difference between:

(a) the amount appropriated for the voted and board local levy program in a fiscal year; and

(b) the amount necessary to provide the state guarantee per weighted pupil unit as determined under this section and Section 53A-17a-164 in the same fiscal year.

(2) An election to consider adoption or modification of a voted local levy is required if initiative petitions signed by 10% of the number of electors who voted at the last preceding general election are presented to the local school board or by action of the local school board.

(3) (a) (i) To impose a voted local levy, a majority of the electors of a school district voting at an election in the manner set forth in Subsections (9) and (10) must vote in favor of a special tax.

(ii) The tax rate may not exceed .002 per dollar of taxable value.

(b) Except as provided in Subsection (3)(c), in order to receive state support the first year, a school district ~~[must]~~ shall receive voter approval no later than December 1 of the year prior to implementation.

(c) Beginning on or after January 1, 2012, a school district may receive state support in accordance with Subsection (4) without complying with the requirements of Subsection (3)(b) if the local school board imposed a tax in accordance with this section during the taxable year beginning on January 1, 2011 and ending on December 31, 2011.

(4) (a) In addition to the revenue ~~[a school district collects]~~ collected from the imposition of a levy pursuant to this section, the state shall contribute an amount sufficient to guarantee \$35.55 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.

(b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar of taxable value under Subsection (4)(a) shall apply to the portion of the board local levy authorized in Section 53A-17a-164, so that the guarantee shall apply up to a total of .002 per dollar of taxable value if a ~~[school district]~~ local school board levies a tax rate under both programs.

(c) (i) Beginning July 1, 2015, the \$35.55 guarantee under Subsections (4)(a) and (b) shall be indexed each year to the value of the weighted pupil unit for the grades 1 through 12 program by making the value of the guarantee equal to .011962 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program.

(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program for each succeeding year subject to the Legislature appropriating funds for an increase in the guarantee.

(d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to receive under this Subsection (4) may not be reduced for the sole reason that the school district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (4)(d)(i) applies for a period of five years following any such change in the certified tax rate.

(e) The guarantee provided under this section does not apply to the portion of a voted local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal year, unless an increase in the voted local levy rate was authorized in an election conducted on or after July 1 of the

previous fiscal year and before December 2 of the previous fiscal year.

(f) (i) If a voted and board local levy funding balance exists for the prior fiscal year, the State Board of Education shall:

(A) use the voted and board local levy funding balance to increase the value of the state guarantee per weighted pupil unit described in Subsection (4)(c) in the current fiscal year; and

(B) distribute the state contribution to the voted and board local levy programs to school districts based on the increased value of the state guarantee per weighted pupil unit described in Subsection (4)(f)(i)(A).

(ii) The State Board of Education shall report action taken under this Subsection (4)(f) to the Office of the Legislative Fiscal Analyst and the Governor's Office of Management and Budget.

(5) (a) An election to modify an existing voted local levy is not a reconsideration of the existing authority unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the [district] local school board of authority to continue the levy.

(c) If adoption of a voted local levy is contingent upon an offset reducing other local school board levies, the local school board ~~must~~ shall allow the electors, in an election, to consider modifying or discontinuing the imposition of the levy prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a [school district] local school board to continue imposing an existing voted local levy previously authorized by the voters as a voted leeway program.

(6) Notwithstanding Section 59-2-919, a [school district] local school board may budget an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section in addition to revenue from eligible new growth as defined in Section 59-2-924, without having to comply with the notice requirements of Section 59-2-919, if:

(a) the voted local levy is approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the [school district] local school board seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(b) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the [school district] local school board complies with the requirements of Subsection (8).

(7) Notwithstanding Section 59-2-919, a [school district] local school board may levy a tax rate under

this section that exceeds the certified tax rate without having to comply with the notice requirements of Section 59-2-919 if:

(a) the levy exceeds the certified tax rate as the result of a [school district] local school board budgeting an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section;

(b) the voted local levy was approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the [school district] local school board seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(c) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the [school district] local school board complies with requirements of Subsection (8).

(8) For purposes of Subsection (6)(b) or (7)(c), the proposition submitted to the electors regarding the adoption or modification of a voted local levy shall contain the following statement:

"A vote in favor of this tax means that ~~[(name of the school district)]~~ the local school board of ~~[name of the school district]~~ may increase revenue from this property tax without advertising the increase for the next five years."

(9) (a) Before ~~imposing~~ a local school board may impose a property tax levy pursuant to this section, a [school district] local school board shall submit an opinion question to the school district's registered voters voting on the imposition of the tax rate so that each registered voter has the opportunity to express the registered voter's opinion on whether the tax rate should be imposed.

(b) The election required by this Subsection (9) shall be held:

(i) at a regular general election conducted in accordance with the procedures and requirements of Title 20A, Election Code, governing regular elections;

(ii) at a municipal general election conducted in accordance with the procedures and requirements of Section 20A-1-202; or

(iii) at a local special election conducted in accordance with the procedures and requirements of Section 20A-1-203.

(c) Notwithstanding the requirements of Subsections (9)(a) and (b), beginning on or after January 1, 2012, a [school district] local school board may levy a tax rate in accordance with this section without complying with the requirements of Subsections (9)(a) and (b) if the [school district] local school board imposed a tax in accordance with this section at any time during the taxable year beginning on January 1, 2011, and ending on December 31, 2011.

(10) If a [school district] local school board determines that a majority of the school district's

registered voters voting on the imposition of the tax rate have voted in favor of the imposition of the tax rate in accordance with Subsection (9), the ~~[school district]~~ local school board may impose the tax rate.

Section 22. Section 53A-17a-134 is amended to read:

53A-17a-134. Board-approved leeway -- Purpose -- State support -- Disapproval.

(1) Except as provided in Subsection (9), a local school board may levy a tax rate of up to .0004 per dollar of taxable value to maintain a school program above the cost of the basic school program as follows:

(a) a local school board shall use the money generated by the tax for class size reduction within the school district;

(b) if a local school board determines that the average class size in the school district is not excessive, ~~[it]~~ the local school board may use the money for other school purposes but only if the local school board has declared the use for other school purposes in a public meeting prior to levying the tax rate; and

(c) a ~~[district]~~ local school board may not use the money for other school purposes under Subsection (1)(b) until ~~[it]~~ the local school board has certified in writing that ~~[its]~~ the local school board's class size needs are already being met and the local school board has identified the other school purposes for which the money will be used to the State Board of Education and the ~~[state board]~~ State Board of Education has approved ~~[their]~~ the local school board's use for other school purposes.

(2) (a) The state shall contribute an amount sufficient to guarantee \$27.36 per weighted pupil unit for each .0001 per dollar of taxable value.

(b) The guarantee shall increase in the same manner as provided for the voted local levy guarantee in Subsection 53A-17a-133(4)(c).

(c) (i) The amount of state guarantee money to which a school district would otherwise be entitled to under this Subsection (2) may not be reduced for the sole reason that the school district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (2)(c)(i) applies for a period of five years following any such change in the certified tax rate.

(d) The guarantee provided under this section does not apply to:

(i) a board-authorized leeway in the first fiscal year the ~~[leeway]~~ levy is in effect, unless the ~~[leeway]~~ levy was approved by voters pursuant to Subsections (4) through (6); or

(ii) the portion of a board-authorized ~~[leeway]~~ levy rate that is in excess of the board-authorized leeway rate that was in effect for the previous fiscal year.

(3) The levy authorized under this section is not in addition to the maximum rate of .002 authorized in Section 53A-17a-133, but is a board-authorized component of the total tax rate under that section.

(4) As an exception to Section 53A-17a-133, the board-authorized levy does not require voter approval, but the local school board may require voter approval if requested by a majority of the local school board.

(5) An election to consider disapproval of the board-authorized levy is required, if within 60 days after the levy is established by the local school board, referendum petitions signed by the number of legal voters required in Section 20A-7-301, who reside within the school district, are filed with the ~~[school district]~~ local school board.

(6) (a) A local school board shall establish its board-approved levy by April 1 to have the levy apply to the fiscal year beginning July 1 in that same calendar year except that if an election is required under this section, the levy applies to the fiscal year beginning July 1 of the next calendar year.

(b) (i) The approval and disapproval votes authorized in Subsections (4) and (5) shall occur at a general election in even-numbered years, except that a vote required under this section in odd-numbered years shall occur at a special election held on a day in odd-numbered years that corresponds to the general election date.

(ii) The school district shall pay for the cost of a special election.

(7) (a) Modification or termination of a voter-approved leeway rate authorized under this section is governed by Section 53A-17a-133.

(b) A board-authorized ~~[leeway]~~ levy rate may be modified or terminated by a majority vote of the local school board subject to disapproval procedures specified in this section.

(8) A board-authorized levy election does not require publication of a voter information pamphlet.

(9) Beginning January 1, 2012, a local school board may not levy a tax in accordance with this section.

Section 23. Section 53A-17a-135 is amended to read:

(2) (a) ~~[In order to]~~ To qualify for receipt of the state contribution toward the basic program and as ~~[its]~~ a school district's contribution toward ~~[its]~~ the school district's costs of the basic program, each ~~[school district]~~ local school board shall impose a minimum basic tax rate per dollar of taxable value that generates \$392,266,800 in revenues statewide.

(b) The preliminary estimate for the 2016-17 minimum basic tax rate is .001695.

(c) The State Tax Commission shall certify on or before June 22 the rate that generates \$392,266,800 in revenues statewide.

(d) If the minimum basic tax rate exceeds the certified revenue levy as defined in Section 53A-17a-103, the state is subject to the notice requirements of Section 59-2-926.

(3) ~~[(a)]~~ The state shall contribute to each school district toward the cost of the basic program in the school district that portion ~~[which] that~~ exceeds the proceeds of the difference between:

~~[(4)]~~ (a) the minimum basic tax rate to be imposed under Subsection (2); and

~~[(4)]~~ (b) the basic levy increment rate.

~~[(b) In accordance with the state strategic plan for public education and to fulfill its responsibility for the development and implementation of that plan, the Legislature instructs the State Board of Education, the governor, and the Office of Legislative Fiscal Analyst in each of the coming five years to develop budgets that will fully fund student enrollment growth.]~~

(4) (a) If the difference described in Subsection (3)~~[(a)]~~ equals or exceeds the cost of the basic program in a school district, no state contribution shall be made to the basic program.

(b) The proceeds of the difference described in Subsection (3)~~[(a)]~~ that exceed the cost of the basic program shall be paid into the Uniform School Fund as provided by law.

(5) The State Board of Education shall:

(a) deduct from state funds that a school district is authorized to receive under this chapter an amount equal to the proceeds generated within the school district by the basic levy increment rate; and

(b) deposit the money described in Subsection (5)(a) into the Minimum Basic Growth Account created in Section 53A-17a-135.1.

Section 24. Section 53A-17a-139 is amended to read:

53A-17a-139. Loss in student enrollment -- Board action.

To avoid penalizing a school district financially for an excessive loss in student enrollment due to factors beyond its control, the State Board of Education may allow a percentage increase in units otherwise allowable during any year when a school district's average daily membership drops more than 4% below the average for the highest two of the preceding three years in the school district.

Section 25. Section 53A-17a-140 is amended to read:

53A-17a-140. Contracts with teachers.

A school district may not enter into contracts with teachers that would prevent the school district from paying differential salaries or putting limitations

on an individual salary paid in order to fill a shortage in specific teaching areas.

Section 26. Section 53A-17a-141 is amended to read:

53A-17a-141. Alternative programs.

(1) Since the State Board of Education has adopted a policy that requires school districts and charter schools to grant credit for proficiency through alternative programs, school districts and charter schools are encouraged to continue and expand ~~[their] school district and charter school~~ cooperation with accredited institutions through performance contracts for educational services, particularly where it is beneficial to students whose progress could be better served through alternative programs.

(2) School districts and charter schools are encouraged to participate in programs that focus on increasing the number of ethnic minority and female students in the secondary schools who will go on to study mathematics, engineering, or related sciences at an institution of higher education.

Section 27. Section 53A-17a-143 is amended to read:

53A-17a-143. Federal Impact Aid Program -- Offset for underestimated allocations from the Federal Impact Aid Program.

(1) In addition to the revenues received from the levy imposed by ~~each school district~~ a local school board and authorized by the Legislature under Section 53A-17a-135, the Legislature shall provide an amount equal to the difference between the school district's anticipated receipts under the entitlement for the fiscal year from the Federal Impact Aid Program and the amount the school district actually received from this source for the next preceding fiscal year.

(2) If at the end of a fiscal year the sum of the receipts of a school district from a distribution from the Legislature pursuant to Subsection (1) plus the school district's allocations from the Federal Impact Aid Program for that fiscal year exceeds the amount allocated to the school district from the Federal Impact Aid Program for the next preceding fiscal year, the excess funds are carried into the next succeeding fiscal year and become in that year a part of the school district's contribution to ~~[its]~~ the school district's basic program for operation and maintenance under the state minimum school finance law.

(3) During ~~[that year]~~ the next succeeding fiscal year described in Subsection (2), the school district's required tax rate for the basic program shall be reduced so that the yield from the reduced tax rate plus the carryover funds equal the school district's required contribution to ~~[its]~~ the school district's basic program.

(4) ~~[A district that reduces its]~~ For the school district of a local school board that is required to reduce the school district's basic tax rate under this section, the school district shall receive state minimum school program funds as though the reduction in the tax rate had not been made.

53A-17a-144. Contribution of state to cost of minimum school program -- Determination of amounts -- Levy on taxable property -- Disbursal -- Deficiency.

The state's contribution to the total cost of the minimum school program is determined and distributed as follows:

(a) This amount, together with other funds provided by law, is the state's contribution to the minimum school program.

(b) The statewide levy is set at zero until changed by the Legislature.

(2) During the first week in November, the State Tax Commission shall certify to the State Board of Education the amounts designated as state aid for each school district under Section 59-2-902.

(3) (a) The actual amounts computed under Section 59-2-902 are the state's contribution to the minimum school program of each school district.

(b) The ~~[state board]~~ State Board of Education shall provide each ~~[district]~~ local education board with a statement of the amount of state aid.

(4) ~~[Prior to]~~ Before the first day of each month, the state treasurer and the Division of Finance, with the approval of the State Board of Education, shall disburse 1/12 of the state's contribution to the cost of the minimum school program to each school district and each charter school.

(a) ~~[A disbursement may not be made to a district]~~ The State Board of Education may not make a disbursement to a school district or charter school whose payments have been interrupted under Subsection (4)(d).

(b) Discrepancies between the monthly disbursements and the actual cost of the program shall be adjusted in the final settlement under Subsection (5).

(c) If the monthly distributions overdraw the money in the Uniform School Fund, the Division of Finance is authorized to run this fund in a deficit position.

(d) The ~~[state board]~~ State Board of Education may interrupt disbursements to a school district or charter school if, in the judgment of the ~~[board]~~ State Board of Education, the school district or charter school is failing to comply with the minimum school program, is operating programs that are not approved by the ~~[state board]~~ State Board of Education, or has not submitted reports required by law or the ~~[state board]~~ State Board of Education.

(ii) Back disbursements shall be included in the next regular disbursement, and the amount disbursed certified to the State Division of Finance and state treasurer by the ~~[state board]~~ State Board of Education.

(e) The State Board of Education may authorize exceptions to the 1/12 per month disbursement formula for grant funds if the ~~[board]~~ State Board of Education determines that a different disbursement formula would better serve the purposes of the grant.

(5) (a) If money in the Uniform School Fund is insufficient to meet the state's contribution to the minimum school program as appropriated, the amount of the deficiency thus created shall be carried as a deficiency in the Uniform School Fund until the next session of the Legislature, at which time the Legislature shall appropriate funds to cover the deficiency.

(b) If there is an operating deficit in public education Uniform School Fund appropriations, the Legislature shall eliminate the deficit by:

(i) budget transfers or other legal means;

(ii) appropriating money from the Education Budget Reserve Account;

(iii) appropriating up to 25% of the balance in the General Fund Budget Reserve Account; or

(iv) some combination of Subsections (5)(b)(i), (ii), and (iii).

(3) For purposes of Subsection (2), the office shall conduct a background check of a direct service worker:

Section 34. Section 62A-15-703 is amended to read:

62A-15-703. Residential and inpatient settings -- Commitment proceeding -- Child in physical custody of local mental health authority.

(1) A child may receive services from a local mental health authority in an inpatient or residential setting only after a commitment proceeding, for the purpose of transferring physical custody, has been conducted in accordance with the requirements of this section.

(2) That commitment proceeding shall be initiated by a petition for commitment, and shall be

a careful, diagnostic inquiry, conducted by a neutral and detached fact finder, pursuant to the procedures and requirements of this section. If the findings described in Subsection (4) exist, the proceeding shall result in the transfer of physical custody to the appropriate local mental health authority, and the child may be placed in an inpatient or residential setting.

(3) The neutral and detached fact finder who conducts the inquiry:

(a) shall be a designated examiner, as defined in Subsection 62A-15-602(3); and

(b) may not profit, financially or otherwise, from the commitment or physical placement of the child in that setting.

(4) Upon determination by the fact finder that the following circumstances clearly exist, he may order that the child be committed to the physical custody of a local mental health authority:

(a) the child has a mental illness, as defined in Subsection 62A-15-602(8)(11);

(b) the child demonstrates a risk of harm to himself or others;

(c) the child is experiencing significant impairment in his ability to perform socially;

(d) the child will benefit from care and treatment by the local mental health authority; and

(e) there is no appropriate less-restrictive alternative.

(5) (a) The commitment proceeding before the neutral and detached fact finder shall be conducted in as informal manner as possible, and in a physical setting that is not likely to have a harmful effect on the child.

(b) The child, the child's parent or legal guardian, the person who submitted the petition for commitment, and a representative of the appropriate local mental health authority shall all receive informal notice of the date and time of the proceeding. Those parties shall also be afforded an opportunity to appear and to address the petition for commitment.

(c) The neutral and detached fact finder may, in his discretion, receive the testimony of any other person.

(d) The fact finder may allow the child to waive his right to be present at the commitment proceeding, for good cause shown. If that right is waived, the purpose of the waiver shall be made a matter of record at the proceeding.

(e) At the time of the commitment proceeding, the appropriate local mental health authority, its designee, or the psychiatrist who has been in charge of the child's care prior to the commitment proceeding, shall provide the neutral and detached fact finder with the following information, as it relates to the period of current admission:

(i) the petition for commitment;

(ii) the admission notes;

(iii) the child's diagnosis;

(iv) physicians' orders;

(v) progress notes;

(vi) nursing notes; and

(vii) medication records.

(f) The information described in Subsection (5)(e) shall also be provided to the child's parent or legal guardian upon written request.

(g) (i) The neutral and detached fact finder's decision of commitment shall state the duration of the commitment. Any commitment to the physical custody of a local mental health authority may not exceed 180 days. Prior to expiration of the commitment, and if further commitment is sought, a hearing shall be conducted in the same manner as the initial commitment proceeding, in accordance with the requirements of this section.

(ii) When a decision for commitment is made, the neutral and detached fact finder shall inform the child and his parent or legal guardian of that decision, and of the reasons for ordering commitment at the conclusion of the hearing, and also in writing.

(iii) The neutral and detached fact finder shall state in writing the basis of his decision, with specific reference to each of the criteria described in Subsection (4), as a matter of record.

(6) Absent the procedures and findings required by this section, a child may be temporarily committed to the physical custody of a local mental health authority only in accordance with the emergency procedures described in Subsection 62A-15-629(1) or (2). A child temporarily committed in accordance with those emergency procedures may be held for a maximum of 72 hours, excluding Saturdays, Sundays, and legal holidays. At the expiration of that time period, the child shall be released unless the procedures and findings required by this section have been satisfied.

(7) A local mental health authority shall have physical custody of each child committed to it under this section. The parent or legal guardian of a child committed to the physical custody of a local mental health authority under this section, retains legal custody of the child, unless legal custody has been otherwise modified by a court of competent jurisdiction. In cases when the Division of Child and Family Services or the Division of Juvenile Justice Services has legal custody of a child, that division shall retain legal custody for purposes of this part.

(8) The cost of caring for and maintaining a child in the physical custody of a local mental health authority shall be assessed to and paid by the child's parents, according to their ability to pay. For purposes of this section, the Division of Child and Family Services or the Division of Juvenile Justice Services shall be financially responsible, in addition to the child's parents, if the child is in the legal custody of either of those divisions at the time the

child is committed to the physical custody of a local mental health authority under this section, unless Medicaid regulation or contract provisions specify otherwise. The Office of Recovery Services shall assist those divisions in collecting the costs assessed pursuant to this section.

(9) Whenever application is made for commitment of a minor to a local mental health authority under any provision of this section by a person other than the child's parent or guardian, the local mental health authority or its designee shall notify the child's parent or guardian. The parents shall be provided sufficient time to prepare and appear at any scheduled proceeding.

(10) (a) Each child committed pursuant to this section is entitled to an appeal within 30 days after any order for commitment. The appeal may be brought on the child's own petition, or that of his parent or legal guardian, to the juvenile court in the district where the child resides or is currently physically located. With regard to a child in the custody of the Division of Child and Family Services or the Division of Juvenile Justice Services, the attorney general's office shall handle the appeal, otherwise the appropriate county attorney's office is responsible for appeals brought pursuant to this Subsection (10)(a).

(b) Upon receipt of the petition for appeal, the court shall appoint a designated examiner previously unrelated to the case, to conduct an examination of the child in accordance with the criteria described in Subsection (4), and file a written report with the court. The court shall then conduct an appeal hearing to determine whether the findings described in Subsection (4) exist by clear and convincing evidence.

(c) Prior to the time of the appeal hearing, the appropriate local mental health authority, its designee, or the mental health professional who has been in charge of the child's care prior to commitment, shall provide the court and the designated examiner for the appeal hearing with the following information, as it relates to the period of current admission:

- (i) the original petition for commitment;
- (ii) admission notes;
- (iii) diagnosis;
- (iv) physicians' orders;
- (v) progress notes;
- (vi) nursing notes; and
- (vii) medication records.

(d) Both the neutral and detached fact finder and the designated examiner appointed for the appeal hearing shall be provided with an opportunity to review the most current information described in Subsection (10)(c) prior to the appeal hearing.

(e) The child, his parent or legal guardian, the person who submitted the original petition for commitment, and a representative of the appropriate local mental health authority shall be

notified by the court of the date and time of the appeal hearing. Those persons shall be afforded an opportunity to appear at the hearing. In reaching its decision, the court shall review the record and findings of the neutral and detached fact finder, the report of the designated examiner appointed pursuant to Subsection (10)(b), and may, in its discretion, allow or require the testimony of the neutral and detached fact finder, the designated examiner, the child, the child's parent or legal guardian, the person who brought the initial petition for commitment, or any other person whose testimony the court deems relevant. The court may allow the child to waive his right to appear at the appeal hearing, for good cause shown. If that waiver is granted, the purpose shall be made a part of the court's record.

(11) Each local mental health authority has an affirmative duty to conduct periodic evaluations of the mental health and treatment progress of every child committed to its physical custody under this section, and to release any child who has sufficiently improved so that the criteria justifying commitment no longer exist.

(12) (a) A local mental health authority or its designee, in conjunction with the child's current treating mental health professional may release an improved child to a less restrictive environment, as they determine appropriate. Whenever the local mental health authority or its designee, and the child's current treating mental health professional, determine that the conditions justifying commitment no longer exist, the child shall be discharged and released to his parent or legal guardian. With regard to a child who is in the physical custody of the State Hospital, the treating psychiatrist or clinical director of the State Hospital shall be the child's current treating mental health professional.

(b) A local mental health authority or its designee, in conjunction with the child's current treating mental health professional, is authorized to issue a written order for the immediate placement of a child not previously released from an order of commitment into a more restrictive environment, if the local authority or its designee and the child's current treating mental health professional has reason to believe that the less restrictive environment in which the child has been placed is exacerbating his mental illness, or increasing the risk of harm to himself or others.

(c) The written order described in Subsection (12)(b) shall include the reasons for placement in a more restrictive environment and shall authorize any peace officer to take the child into physical custody and transport him to a facility designated by the appropriate local mental health authority in conjunction with the child's current treating mental health professional. Prior to admission to the more restrictive environment, copies of the order shall be personally delivered to the child, his parent or legal guardian, the administrator of the more restrictive environment, or his designee, and the child's former treatment provider or facility.

(d) If the child has been in a less restrictive environment for more than 30 days and is aggrieved

by the change to a more restrictive environment, the child or his representative may request a review within 30 days of the change, by a neutral and detached fact finder as described in Subsection (3). The fact finder shall determine whether:

(i) the less restrictive environment in which the child has been placed is exacerbating his mental illness, or increasing the risk of harm to himself or others; or

(ii) the less restrictive environment in which the child has been placed is not exacerbating his mental illness, or increasing the risk of harm to himself or others, in which case the fact finder shall designate that the child remain in the less restrictive environment.

(e) Nothing in this section prevents a local mental health authority or its designee, in conjunction with the child's current mental health professional, from discharging a child from commitment or from placing a child in an environment that is less restrictive than that designated by the neutral and detached fact finder.

(13) Each local mental health authority or its designee, in conjunction with the child's current treating mental health professional shall discharge any child who, in the opinion of that local authority, or its designee, and the child's current treating mental health professional, no longer meets the criteria specified in Subsection (4), except as provided by Section 78A-6-120. The local authority and the mental health professional shall assure that any further supportive services required to meet the child's needs upon release will be provided.

(14) Even though a child has been committed to the physical custody of a local mental health authority pursuant to this section, the child is still entitled to additional due process proceedings, in accordance with Section 62A-15-704, before any treatment which may affect a constitutionally protected liberty or privacy interest is administered. Those treatments include, but are not limited to, antipsychotic medication, electroshock therapy, and psychosurgery.
