ROCKY MOUNTAIN UNIVERSITY OF HEALTH PROFESSIONS FOUNDATION

# COMMUNITY REHABILITATION CLINIC

NON-PROFIT PHYSICAL THERAPY CLINIC

## WHAT IS THE CRC?

The RMUoHP Foundation Community Rehabilitation Clinic is a non-profit, pro-bono, outpatient physical therapy clinic.
It provides high quality physical therapy and rehabilitation to uninsured, and low-income families in Utah County. It also presents an educational and service experience for university students and volunteers.

## WHAT CAN WE HELP WITH?

- Back pain
- Muscle, joint, nerve pain
- Multiple Sclerosis clinic
- Neurological rehabilitation
- Balance and gait training
- Post-surgical rehabilitation
- Athletic performance rehabilitation

## WHY PHYSICAL THERAPY?

*Improve the way you move.* Movement is a key to optimal living and quality of life for all people. The goal of physical therapy is to transform society by optimizing movement to improve the human experience.

*Exercise is Medicine.* Surgery and medication aren't always the answer. Most conditions can improve or completely resolve through physical therapy.

CRC Rehab clinic is a complete PRO BONO physical therapy clinic!

• Clinic is Administrated by doctorate and master PT from the Rocky Mountain University in Provo.

• Clinic Also provides student aids from RMU, BYU, and UVU which volunteered a total of 2008 hours in 2019. Providing hands-on experience.

• In 2019 we did a total of 4450 treatments with 3750 during regular clinic hours and 790 on weekends and after hours.

• We are requesting an additional $50K to $75K to take care of the demand of another 700 to 1000 treatments for the physical year of 2020.

• Our patients were underserved, uninsured, MS, Vets, senior care, and families from the boys and girls club.

• United Way provided free transportation for many of our MS patients, Vets and senior care.

• CRC patients achieved and improved functional score better than patients and clinics nationwide putting the clinic in the 90 percentile!

• Patients treated at the clinic continue to improve faster than the national average by four visits per patient!!

• A total financial benefit of 1.2 million to the patients, their communities & the state in 2019.

• Maintain FOTO utilization scores in the 90 percentile or better.

• Current donors; Miller foundation, Eccles foundation, Kahlert foundation, Utah county and cities, Kimball foundation, Zions Bank, RMU foundation, Nordstrom Foundation, Sports medicine, BYU, UVU, and IHC. Numerous small Private donors.

• Our goal is to improve human life, to be able to enjoy life and put family members back to work to be able to take care of their families!

• We Average a $56 per treatment which is far less than the average of $95 to $110 per treatment nationally.
