40 *Be it enacted by the Legislature of the state of Utah:*

41           Section 1. Section **30-3-5** is amended to read:

42           **30-3-5. Disposition of property -- Maintenance and health care of parties and**  
 43 **children -- Division of debts -- Court to have continuing jurisdiction -- Custody and**  
 44 **parent-time -- Determination of alimony -- Nonmeritorious petition for modification.**

45           (1) When a decree of divorce is rendered, the court may include in it equitable orders  
46 relating to the children, property, debts or obligations, and parties. The court shall include the  
47 following in every decree of divorce:

48           (a) an order assigning responsibility for the payment of reasonable and necessary  
 49 medical and dental expenses of the dependent children including responsibility for health  
 50 insurance out-of-pocket expenses such as co-payments, co-insurance, and deductibles;

51           (b) (i) if coverage is or becomes available at a reasonable cost, an order requiring the  
 52 purchase and maintenance of appropriate health, hospital, and dental care insurance for the  
 53 dependent children; and

54           (ii) a designation of which health, hospital, or dental insurance plan is primary and  
 55 which health, hospital, or dental insurance plan is secondary in accordance with the provisions  
 56 of Section 30-3-5.5 which will take effect if at any time a dependent child is covered by both  
 57 parents' health, hospital, or dental insurance plans;

58 (c) pursuant to Section 15-4-6.5:

59 (i) an order specifying which party is responsible for the payment of joint debts,  
60 obligations, or liabilities of the parties contracted or incurred during marriage;

61 (ii) an order requiring the parties to notify respective creditors or obligees, regarding  
62 the court's division of debts, obligations, or liabilities and regarding the parties' separate,  
63 current addresses; and

64 (iii) provisions for the enforcement of these orders; and

65 (d) provisions for income withholding in accordance with Title 62A, Chapter 11,  
66 Recovery Services.

67 (2) The court may include, in an order determining child support, an order assigning  
68 financial responsibility for all or a portion of child care expenses incurred on behalf of the  
69 dependent children, necessitated by the employment or training of the custodial parent. If the  
70 court determines that the circumstances are appropriate and that the dependent children would  
71 be adequately cared for, it may include an order allowing the noncustodial parent to provide  
72 child care for the dependent children, necessitated by the employment or training of the  
73 custodial parent.

74 (3) The court has continuing jurisdiction to make subsequent changes or new orders  
75 for the custody of the children and their support, maintenance, health, and dental care, and for  
76 distribution of the property and obligations for debts as is reasonable and necessary.

77 (4) Child support, custody, visitation, and other matters related to children born to the  
78 mother and father after entry of the decree of divorce may be added to the decree by  
79 modification.

80 (5) (a) In determining parent-time rights of parents and visitation rights of  
81 grandparents and other members of the immediate family, the court shall consider the best  
82 interest of the child.

83 (b) Upon a specific finding by the court of the need for peace officer enforcement, the  
84 court may include in an order establishing a parent-time or visitation schedule a provision,  
85 among other things, authorizing any peace officer to enforce a court-ordered parent-time or

86 visitation schedule entered under this chapter.

87 (6) If a petition for modification of child custody or parent-time provisions of a court  
88 order is made and denied, the court shall order the petitioner to pay the reasonable attorneys'  
89 fees expended by the prevailing party in that action, if the court determines that the petition  
90 was without merit and not asserted or defended against in good faith.

91 (7) If a petition alleges noncompliance with a parent-time order by a parent, or a  
92 visitation order by a grandparent or other member of the immediate family where a visitation  
93 or parent-time right has been previously granted by the court, the court may award to the  
94 prevailing party costs, including actual attorney fees and court costs incurred by the prevailing  
95 party because of the other party's failure to provide or exercise court-ordered visitation or  
96 parent-time.

97 (8) (a) The court shall consider at least the following factors in determining alimony:

98 (i) the financial condition and needs of the recipient spouse;

99 (ii) the recipient's earning capacity or ability to produce income;

100 (iii) the ability of the payor spouse to provide support;

101 (iv) the length of the marriage;

102 (v) whether the recipient spouse has custody of minor children requiring support;

103 (vi) whether the recipient spouse worked in a business owned or operated by the payor  
104 spouse; and

105 (vii) whether the recipient spouse directly contributed to any increase in the payor  
106 spouse's skill by paying for education received by the payor spouse or allowing the payor  
107 spouse to attend school during the marriage.

108 (b) The court may consider the fault of the parties in determining alimony.

109 (c) As a general rule, the court should look to the standard of living, existing at the  
110 time of separation, in determining alimony in accordance with Subsection (8)(a). However,  
111 the court shall consider all relevant facts and equitable principles and may, in its discretion,  
112 base alimony on the standard of living that existed at the time of trial. In marriages of short  
113 duration, when no children have been conceived or born during the marriage, the court may

114 consider the standard of living that existed at the time of the marriage.

115 (d) The court may, under appropriate circumstances, attempt to equalize the parties'  
116 respective standards of living.

117 (e) When a marriage of long duration dissolves on the threshold of a major change in  
118 the income of one of the spouses due to the collective efforts of both, that change shall be  
119 considered in dividing the marital property and in determining the amount of alimony. If one  
120 spouse's earning capacity has been greatly enhanced through the efforts of both spouses during  
121 the marriage, the court may make a compensating adjustment in dividing the marital property  
122 and awarding alimony.

123 (f) In determining alimony when a marriage of short duration dissolves, and no  
124 children have been conceived or born during the marriage, the court may consider restoring  
125 each party to the condition which existed at the time of the marriage.

126 (g) (i) The court has continuing jurisdiction to make substantive changes and new  
127 orders regarding alimony based on a substantial material change in circumstances not  
128 foreseeable at the time of the divorce.

129 (ii) The court may not modify alimony or issue a new order for alimony to address  
130 needs of the recipient that did not exist at the time the decree was entered, unless the court  
131 finds extenuating circumstances that justify that action.

132 (iii) In determining alimony, the income of any subsequent spouse of the payor may  
133 not be considered, except as provided in this Subsection (8).

134 (A) The court may consider the subsequent spouse's financial ability to share living  
135 expenses.

136 (B) The court may consider the income of a subsequent spouse if the court finds that  
137 the payor's improper conduct justifies that consideration.

138 (h) Alimony may not be ordered for a duration longer than the number of years that  
139 the marriage existed unless, at any time prior to termination of alimony, the court finds  
140 extenuating circumstances that justify the payment of alimony for a longer period of time.

141 (9) Unless a decree of divorce specifically provides otherwise, any order of the court

142 that a party pay alimony to a former spouse automatically terminates upon the remarriage or  
143 death of that former spouse. However, if the remarriage is annulled and found to be void ab  
144 initio, payment of alimony shall resume if the party paying alimony is made a party to the  
145 action of annulment and his rights are determined.

146 (10) Any order of the court that a party pay alimony to a former spouse terminates  
147 upon establishment by the party paying alimony that the former spouse is cohabitating with  
148 another person.

149 Section 2. Section 30-3-5.5 is enacted to read:

150 **30-3-5.5. Designation of Primary and Secondary Health, Dental, or Hospital**  
151 **Insurance Coverage.**

152 (1) For purposes of this section, "health, hospital, or dental insurance plan" has the  
153 same meaning as "health care insurance" as defined in Section 31A-1-301.

154 (2) (a) A decree of divorce rendered in accordance with Section 30-3-5, an order for  
155 medical expenses rendered in accordance with Section 78B-12-212, and an administrative  
156 order under Section 62A-11-326 shall, in accordance with Subsection (2)(b)(ii), designate  
157 which parent's health, hospital, or dental insurance plan is primary coverage and which  
158 parent's health, hospital, or dental insurance plan is secondary coverage for a dependent child.

159 (b) The provisions of the court order required by Subsection (2)(a) shall:

160 (i) take effect if at any time a dependent child is covered by both parents' health,  
161 hospital, or dental insurance plans; and

162 (ii) include the following language:

163 "If, at any point in time, a dependent child is covered by the health, hospital, or dental  
164 insurance plans of both parents, the health, hospital, or dental insurance plan of (Parent's  
165 Name) shall be primary coverage for the dependent child and the health, hospital, or dental  
166 insurance plan of (Other Parent's Name) shall be secondary coverage for the dependent child.

167 If a parent remarries and his or her dependent child is not covered by that parent's health,  
168 hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or  
169 dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried

170 parent and shall retain the same designation as the primary or secondary plan of the dependent  
171 child."

172 (c) A decree of divorce or related court order may not modify the language required by  
173 Subsection (2)(b)(ii).

174 (d) Notwithstanding Subsection (2)(c), a court may allocate the payment of medical  
175 expenses including co-payments, deductibles, and co-insurance not covered by health  
176 insurance between the parents in accordance with Subsections 30-3-5(1)(a) and  
177 78B-12-212(6).

178 (3) In designating primary coverage pursuant to Subsection (2), a court may take into  
179 account:

180 (a) the birth dates of the parents;

181 (b) a requirement in a court order, if any, for one of the parents to maintain health  
182 insurance coverage for a dependent child;

183 (c) the parent with physical custody of the dependent child; or

184 (d) any other factor the court considers relevant.

199 of health insurance claims to develop standardized language regarding coordination of benefits  
200 for the purpose of including the standardized language in an insurer's explanation of benefits.

201 (2) Rules adopted by the commissioner under Subsection (1):

202 (a) may not prohibit coordination of benefits with individual accident and health  
203 insurance policies; ~~and~~

204 (b) shall apply equally to all accident and health insurance policies without regard to  
205 whether the policies are group or individual policies[-]; and

206 (c) shall include standardized language regarding the coordination of benefits process  
207 that shall be included in each insurer's accident and health insurance policy.

208 Section 4. Section **62A-11-326** is amended to read:

209 **62A-11-326. Medical and dental expenses of dependent children.**

210 In any action under this part, the office and the department in their orders shall:

216 (3) include a designation of which health, dental or hospital insurance plan, is primary  
217 and which is secondary in accordance with the provisions of Section 30-3-5.5 which will take

223 ~~(2)~~ Section 31A-22-619 is repealed July 1, 2010.]

224 Section 6. Section **78B-12-212** is amended to read:

225 **78B-12-212. Medical expenses.**

226 (1) (a) The court shall order that insurance for the medical expenses of the minor  
227 children be provided by a parent if it is available at a reasonable cost.

228 (b) The court shall, in accordance with Section 30-3-5, designate which health,  
229 hospital, or dental insurance plan is primary and which health, hospital, or dental insurance  
230 plan is secondary if at any time a dependent child is covered by both parents' health, hospital,  
231 or dental insurance plans.

232 (2) In determining which parent shall be ordered to maintain insurance for medical  
233 expenses, the court or administrative agency may consider the:

- 234 (a) reasonableness of the cost;
- 235 (b) availability of a group insurance policy;
- 236 (c) coverage of the policy; and
- 237 (d) preference of the custodial parent.

238 (3) The order shall require each parent to share equally the out-of-pocket costs of the  
239 premium actually paid by a parent for the children's portion of insurance unless the court finds  
240 good cause to order otherwise.

241 (4) The parent who provides the insurance coverage may receive credit against the  
242 base child support award or recover the other parent's share of the children's portion of the  
243 premium. In cases in which the parent does not have insurance but another member of the  
244 parent's household provides insurance coverage for the children, the parent may receive credit  
245 against the base child support award or recover the other parent's share of the children's  
246 portion of the premium.

247 (5) The children's portion of the premium is a per capita share of the premium actually  
248 paid. The premium expense for the children shall be calculated by dividing the premium  
249 amount by the number of persons covered under the policy and multiplying the result by the  
250 number of children in the instant case.

251 (6) The order shall, in accordance with Subsection 30-3-5(1)(b), include a cash  
252 medical support provision that requires each parent to equally share all reasonable and  
253 necessary uninsured and unreimbursed medical and dental expenses incurred for the

254 dependent children, including but not limited to deductibles and copayments unless the court  
255 finds good cause to order otherwise.

256 (7) The parent ordered to maintain insurance shall provide verification of coverage to  
257 the other parent, or to the Office of Recovery Services under Title IV of the Social Security  
258 Act, 42 U.S.C. Section 601 et seq., upon initial enrollment of the dependent children, and  
259 thereafter on or before January 2 of each calendar year. The parent shall notify the other  
260 parent, or the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C.  
261 Section 601 et seq., of any change of insurance carrier, premium, or benefits within 30  
262 calendar days of the date the parent first knew or should have known of the change.

263 (8) A parent who incurs medical expenses shall provide written verification of the cost  
264 and payment of medical expenses to the other parent within 30 days of payment.

265 (9) In addition to any other sanctions provided by the court, a parent incurring medical  
266 expenses may be denied the right to receive credit for the expenses or to recover the other  
267 parent's share of the expenses if that parent fails to comply with Subsections (7) and (8).

268 **Section 7. Repealer.**

269 This bill repeals:

270 **Section 31A-22-619.5 (Effective 07/01/10), Coordination of benefits.**
