

A REQUEST FOR INPUT

by the

REDISTRICTING COMMITTEE

of the Utah Legislature

The Utah Legislature has begun the decennial task of redrawing the boundaries of congressional, Utah Senate, Utah House of Representatives, and State School Board districts. Last year's Census made it clear that as a result of differing rates of growth across the state, existing districts will have to be modified – in some cases significantly – to ensure uniformly proportionate representation of the state's citizens.

If you wish to have input in this process, please review the accompanying information prepared by the Legislature's Redistricting Committee and indicate on the back of this page any suggestions you may have to alter the boundaries of any district or groups of districts. Specify which counties, municipalities, voting precincts, or city blocks (each are basic building blocks of redistricting plans) should be added to or removed, or not added to or removed, from a district or group of districts. Alternatively, you may propose boundary changes in terms of roads, water bodies, and municipal boundaries. You may also use our website to stay informed on the progress of the Redistricting Committee, meeting times and places, and other issues and information relating to redistricting. Our website is www.le.state.ut.us/interim/2001/interim.html.

Please prioritize your suggestions and submit your response to:
