- 9:00**     **1. Task Force Business**
- Call to order
  - Approval of the minutes of the November 1, 2012, meeting
- 9:05**     **2. Exchange Blueprint Deadline**
- The U.S. Department of Health and Human Services has required that states wishing to implement a state-based health insurance exchange under the federal Affordable Care Act submit a "blueprint" by December 14, 2012, consisting of a declaration letter and an exchange application. States wishing to implement a state-partnership exchange must submit a blueprint by February 15, 2013. States not wishing to implement either model are still required to notify the department if they wish to run their own reinsurance program. The task force will be updated on the state's response to the blueprint requirement.*
