

# REQUEST FOR INFORMATION BY THE UTAH STATE LEGISLATURE

## Online Streaming Audio and Video Solutions

RFI No. 2011-2

### **Issued by**

The Office of Legislative Research and General Counsel, on behalf of the Information Technology Steering Committee of the Utah State Legislature.

### **Information sought**

The Utah State Legislature is requesting information on solutions to provide online streaming audio and video (webcasting) of meetings of the Utah State Senate, meetings of the Utah House of Representatives, legislative committee meetings, and other legislative meetings. The Legislature is interested in a robust and user-friendly solution that provides archived and live streaming audio and video to a broad range of platforms and operating systems for computers, tablets, and smart phones. The Legislature is also interested in the capacity to place and label bookmarks that permit a user to jump to a specified point in an archived stream.

### **Purpose of RFI**

This is a request for information only. It is not a request for proposals, a request for quotes, or a request for bids. No contract will be awarded as a result of this RFI. The Legislature will use the information received in order to determine whether to seek quotes, bids, or proposals in the future. Each responder to this RFI is responsible for all costs of the responder in responding to this RFI.

### **Responding**

Please provide responses to this RFI to Thomas R. Vaughn, the RFI contact, at the following mailing or email address:

#### ***Address:***

Thomas R. Vaughn  
Associate General Counsel  
Office of Legislative Research and General Counsel  
Utah State Capitol Complex  
House Building, Suite W210  
P.O. Box 145210  
Salt Lake City, Utah 84114-5210

***Email:***

**Additional information**

In addition to a description of a potential solution, it would be helpful to know estimated staffing requirements for the solution, required IT infrastructure (e.g. servers, network, storage media, and file sizes), and existing implementation examples.

**Dates**

RFI opening date: June 21, 2011

RFI closing date: July 21, 2011
