REVISED AGENDA
STATE WATER DEVELOPMENT COMMISSION
Thursday, July 22, 1999 - 1:00 p.m. - Room 303 State Capitol

1. Committee Business

- Introduction of members and staff
- C Approve minutes of April 21, 1998

2. River Basin Reports

Commission members who represent river districts are invited to report on water projects and issues in their river district.

3. Great Salt Lake Management Plan

The Department of Natural Resources is preparing a management plan for the Great Salt Lake. Management issues include: 1) What, if anything, should be done about the salinity differential between the north and south arms of the lake; and 2) When should pumping of the lake resume?

- C Kathleen Clarke, Department of Natural Resources

4. Water Conservation

Utah law requires water suppliers who provide culinary water to more than 500 service connections to prepare water conservation plans. The Division of Water Resources will report on the status of those plans, and Mr. Ovard will discuss Jordan Valley Water Conservancy District's new water conservation program.

- Division of Water Resources
- David Ovard, Jordan Valley Water Conservancy District

5. Other Business

6. Adjourn
