### AGENDA

NATURAL RESOURCES, AGRICULTURE, AND ENVIRONMENT  
INTERIM COMMITTEE

Wednesday, October 18, 2000 - 9:00 a.m. - Room 303 State Capitol

**1. Committee Business**

- Approval of minutes of August 16, 2000

**2. Replacement of Water Affected by Mining**

*In 1997 the Legislature enacted a bill requiring a coal mine permittee to replace any state-appropriated water in existence prior to the permit application which has been affected by contamination, diminution, or interruption resulting from underground coal mining operations. Rules of the Board of Oil, Gas and Mining enacted to implement this law are in dispute.*

- Commissioner Ira Hatch, Emery County Commission
- Lowell Braxton, Division of Oil, Gas and Mining

**3. Consider Proposed Legislation, "Certification and Training for Underground Wastewater Disposal System Installers"**

*The proposed legislation requires certification for individuals who design, install, inspect, maintain, or conduct percolation tests or soils tests for underground wastewater disposal systems.*

- Representative Tom Hatch

**4. Sunset Review - Lead Acid Battery Program**

*At its last meeting, the committee approved a motion to reauthorize the lead acid battery program. A motion is needed specifying for how long the program should be reauthorized.*

**5. Cultural Resource Protection**

**a. School and Institutional Trust Lands**

*As requested by the committee, the School and Institutional Trust Lands Administration has compiled its costs to protect cultural resources on school and institutional trust lands.*

- Kevin Carter, School and Institutional Trust Lands Administration

**b. State Historic Preservation Office Role in Federal Projects**

*The San Rafael Soil Conservation District has encountered difficulty in complying with cultural resource protection requirements for a salinity control project funded by the Bureau of Reclamation.*

- Roger Barton, San Rafael Soil Conservation District
- Max Evans, Division of State History

**6. Progress Report on Rulemaking on Sensitive Species and Critical Habitat**

*The Department of Natural Resources and interested parties are engaged in rulemaking regarding the designation of sensitive species and critical habitat.*

- John Davis, Pruitt, Gushee and Bachtell, and John Kimball, Division of Wildlife Resources

**7. Eminent Domain Reform**

*The League of Cities and Towns, Department of Transportation, private attorneys, and others have created a disclosure booklet to be provided to property owners whose lands are being acquired by government entities.*

- Craig Call, Private Property Ombudsman

**8. Other Business**

**9. Adjourn**
