Department funding is primarily from the Commerce Service Fund which is made up from fees collected by the Department. By statute, funds collected to the Commerce Service Fund over the amount appropriated to the Department are deposited in the General Fund. The Department also receives revenue from Dedicated Credits, Trust Funds, and Federal Funds. The Department lapsed to the General Fund: \$9,234,127 in FY 2001 and \$7,498,678 in FY 2002.

Mission Statement

Protect public interest by ensuring fair commercial and professional practices.

The department expects to achieve its goals by:

- Protecting the public and promoting commerce through reasonable and fair regulation, enforcement, advocacy and education.
- Improve customer service by providing online information, applications, renewals, registrations and filings.
- Meeting the challenge of restricted budgets by operating in a fiscally conservative manner.
- Improving timeliness and level of services with existing resources.

2.0 Issues: Department of Commerce

2.1 PURF funding for the Division of Public Utilities

Funding for the Division of Public Utilities (DPU) and the Committee of Consumer Services (CCS) has been from the Public Utility Regulatory Fund (PURF). Utilities pay an assessment to cover the costs of regulation. These funds have been deposited in the Commerce Service Fund for appropriation. PURF also funds the Public Service Commission but there the funds are called “General Fund.” Calling PURF “General Fund” and “Commerce Service Fund” in another has caused confusion and problems in the past. The Analyst’s recommendation is to call these Public Utility Regulatory Funds “GFR-CSF-PURF” which stands for General Fund Restricted – Commerce Service Fund – Public Utility Regulatory Funds. This gives the Department of Finance the necessary information: Category and type of fund, Name of the fund, and that it is a special account within the fund.

3.1 Programs: Department of Commerce - Administration
