Note: *HealthSouth Rehabilitation Hospital of Utah is included because of its significant number of acute care discharges.

"Acute care" refers to inpatient services excluding psychiatric and substance abuse treatment (DRG 424-438), separately classified rehabilitation services (DRG 462), and unclassified services (DRG 470, 521-523). "Normal Newborns" refer to babies that are delivered of sufficient birthweight and with no complicating medical conditions (DRG 391). "Ambulatory surgery" refers to cases with CPT codes from 10000-79999 and 92900-96999.
