As in effect on May 11, 2010

---

(1) As used in this section:

(a) (i) "Catastrophic mental health coverage" means coverage in a health benefit plan that does not impose a lifetime limit, annual payment limit, episodic limit, inpatient or outpatient service limit, or maximum out-of-pocket limit that places a greater financial burden on an insured for the evaluation and treatment of a mental health condition than for the evaluation and treatment of a physical health condition.

(ii) "Catastrophic mental health coverage" may include a restriction on cost sharing factors, such as deductibles, copayments, or coinsurance, before reaching a maximum out-of-pocket limit.

(iii) "Catastrophic mental health coverage" may include one maximum out-of-pocket limit for physical health conditions and another maximum out-of-pocket limit for mental health conditions, except that if separate out-of-pocket limits are established, the out-of-pocket limit for mental health conditions may not exceed the out-of-pocket limit for physical health conditions.

(b) (i) "50/50 mental health coverage" means coverage in a health benefit plan that pays for at least 50% of covered services for the diagnosis and treatment of mental health conditions.

(ii) "50/50 mental health coverage" may include a restriction on:

(A) episodic limits;

(B) inpatient or outpatient service limits; or

(C) maximum out-of-pocket limits.

(c) "Large employer," is as defined in 42 U.S.C. Sec. 300gg-91.

(d) (i) "Mental health condition" means a condition or disorder involving mental illness that falls under a diagnostic category listed in the Diagnostic and Statistical Manual, as periodically revised.

(ii) "Mental health condition" does not include the following when diagnosed as the primary or substantial reason or need for treatment:

(A) a marital or family problem;

(B) a social, occupational, religious, or other social maladjustment;

(C) a conduct disorder;

(D) a chronic adjustment disorder;

(E) a psychosexual disorder;

(F) a chronic organic brain syndrome;

(G) a personality disorder;

(H) a specific developmental disorder or learning disability; or

(I) mental retardation.

(e) "Small employer" is as defined in 42 U.S.C. Sec. 300gg-91.

(2) (a) At the time of purchase and renewal, an insurer shall offer to a small employer that it insures or seeks to insure a choice between catastrophic mental health coverage and 50/50 mental health coverage.

(b) In addition to complying with Subsection (2)(a), an insurer may offer to provide:

(i) catastrophic mental health coverage, 50/50 mental health coverage, or both at levels that exceed the minimum requirements of this section; or

(ii) coverage that excludes benefits for mental health conditions.

(c) A small employer may, at its option, choose either catastrophic mental health coverage, 50/50 mental health coverage, or coverage offered under Subsection (2)(b), regardless of the employer's previous coverage for mental health conditions.

(d) An insurer is exempt from the 30% index rating restriction in Section 31A-30-106.1 and, for the first year only that catastrophic mental health coverage is chosen, the 15% annual

adjustment restriction in Section 31A-30-106.1, for any small employer with 20 or less enrolled employees who chooses coverage that meets or exceeds catastrophic mental health coverage.

(3) An insurer shall offer a large employer mental health and substance use disorder benefit in compliance with Section 2705 of the Public Health Service Act, 42 U.S.C. Sec. 300gg-5, and federal regulations adopted pursuant to that act.

(4) (a) An insurer may provide catastrophic mental health coverage to a small employer through a managed care organization or system in a manner consistent with Chapter 8, Health Maintenance Organizations and Limited Health Plans, regardless of whether the insurance policy uses a managed care organization or system for the treatment of physical health conditions.

(b) (i) Notwithstanding any other provision of this title, an insurer may:

(A) establish a closed panel of providers for catastrophic mental health coverage; and

(B) refuse to provide a benefit to be paid for services rendered by a nonpanel provider unless:

(I) the insured is referred to a nonpanel provider with the prior authorization of the insurer; and

(II) the nonpanel provider agrees to follow the insurer's protocols and treatment guidelines.

(ii) If an insured receives services from a nonpanel provider in the manner permitted by Subsection (4)(b)(i)(B), the insurer shall reimburse the insured for not less than 75% of the average amount paid by the insurer for comparable services of panel providers under a noncapitated arrangement who are members of the same class of health care providers.

(iii) This Subsection (4)(b) may not be construed as requiring an insurer to authorize a referral to a nonpanel provider.

(c) To be eligible for catastrophic mental health coverage, a diagnosis or treatment of a mental health condition must be rendered:

(i) by a mental health therapist as defined in Section 58-60-102; or

(ii) 50/50 mental health coverage;

(iii) catastrophic mental health coverage; and

(iv) coverage that exceeds the minimum requirements of this section.

(7) This section may not be construed as discouraging or otherwise preventing an insurer from providing mental health coverage in connection with an individual insurance policy.

(8) This section shall be repealed in accordance with Section 63I-1-231.
