14
15 **ARTICLE VI**

16 **INTERSTATE COMMISSION**

17
18 The member states hereby create the Interstate Prescription Monitoring Program Commission.
19 The Prescription Monitoring Program Compact shall be governed by an interstate commission
20 comprised of the member states and not by a third-party group or federal agency. The activities
21 of the commission are the formation of public policy and are a discretionary state function.

- 1 A. The commission shall be a body corporate and joint agency of the member states and
2 shall have all the responsibilities, powers and duties set forth herein, and such additional
3 powers as may be conferred upon it by a subsequent concurrent action of the respective
4 legislatures of the member states in accordance with the terms of this compact.
5
- 6 B. The commission shall consist of one voting representative from each member state who
7 shall be that state's appointed compact commissioner and who is empowered to
8 determine statewide policy related to matters governed by this compact.
9
- 10 C. In addition to the state commissioner, the state shall appoint a non-voting advisor who
11 shall be a representative of the state prescription monitoring program.
12
- 13 D. In addition to the voting representatives and non-voting advisor of each member state, the
14 commission may include persons who are not voting representatives, but who are
15 members of interested organizations as determined by the commission.
16
- 17 E. Each member state represented at a meeting of the commission is entitled to one vote. A
18 majority of the member states shall constitute a quorum for the transaction of business,
19 unless a larger quorum is required by the bylaws of the commission. A representative
20 shall not delegate a vote to another member state. In the event the compact commissioner
21 is unable to attend a meeting of the commission, the appropriate appointing authority may
22 delegate voting authority to another person from their state for a specified meeting. The

1 by-laws may provide for meetings of the commission to be conducted by electronic
2 communication.

3
4 F. The commission shall meet at least once each calendar year. The chairperson may call
5 additional meetings and, upon the request of a simple majority of the compacting states,
6 shall call additional meetings.

7
8 G. The commission shall establish an executive committee, which shall include officers,
9 members, and others as determined by the bylaws. The executive committee shall have
10 the power to act on behalf of the commission, with the exception of rulemaking. During
11 periods when the commission is not in session the executive committee shall oversee the
12 administration of the compact, including enforcement and compliance with the provisions
13 of the compact, its bylaws and rules, and other such duties as deemed necessary.

14
15 H. The commission shall maintain a robust committee structure for governance (i.e., policy,
16 compliance, education, technology, etc.) and shall include specific opportunities for
17 stakeholder input.

18
19 I. The commission's bylaws and rules shall establish conditions and procedures under
20 which the commission shall make its information and official records available to the
21 public for inspection or copying. The commission may exempt from disclosure
22 information or official records that would adversely affect personal privacy rights or
23 proprietary interests.

1 J. The commission shall provide public notice of all meetings and all meetings shall be
2 open to the public, except as set forth in the rules or as otherwise provided in the
3 compact. The commission may close a meeting, or portion thereof, where it determines
4 by a two-thirds vote of the members present that an open meeting would be likely to:

- 5 1. Relate solely to the commission's internal personnel practices and procedures;
- 6 2. Discuss matters specifically exempted from disclosure by federal and state
7 statute;
- 8 3. Discuss trade secrets or commercial or financial information which is privileged
9 or confidential;
- 10 4. Involve accusing a person of a crime, or formally censuring a person;
- 11 5. Discuss information of a personal nature where disclosure would constitute a
12 clearly unwarranted invasion of personal privacy;
- 13 6. Discuss investigative records compiled for law enforcement purposes; or
- 14 7. Specifically relate to the commission's participation in a civil action or other legal
15 proceeding.

16
17 K. For a meeting, or portion of a meeting, closed pursuant to this provision, the
18 commission's legal counsel or designee shall certify that the meeting may be closed and
19 shall reference each relevant exemptive provision. The commission shall keep minutes
20 which shall fully and clearly describe all matters discussed in a meeting and shall provide
21 a full and accurate summary of actions taken, and the reasons therefore, including a
22 description of the views expressed and the record of a roll call vote. All documents
23 considered in connection with an action shall be identified in such minutes. All minutes

1 and documents of a closed meeting shall remain under seal, subject to release by a
2 majority vote of the commission.

3

15 provided in this compact.

- 15 J. To elect or appoint such officers, attorneys, employees, agents, or consultants, and to fix
16 their compensation, define their duties and determine their qualifications; and to establish

3 **ARTICLE VIII**

4 **ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION**

5
6 A. The interstate commission shall, by a majority of the members present and voting, within
7 12 months after the first interstate commission meeting, adopt bylaws to govern its
8 conduct as may be necessary or appropriate to carry out the purposes of the compact,
9 including, but not limited to:

- 10 1. Establishing the fiscal year of the interstate commission;
- 11 2. Establishing an executive committee, and such other committees as may be
12 necessary for governing any general or specific delegation of authority or function
13 of the Interstate Commission
- 14 3. Providing procedures for calling and conducting meetings of the interstate
15 commission, and ensuring reasonable notice of each such meeting;
- 16 4. Establishing the titles and responsibilities of the officers and staff of the interstate
17 commission;
- 18 5. Providing a mechanism for concluding the operations of the interstate commission
19 and the return of surplus funds that may exist upon the termination of the compact
20 after the payment and reserving of all of its debts and obligations.

21
22 B. The interstate commission shall, by a majority of the members present, elect annually
23 from among its members a chairperson, a vice-chairperson, and a treasurer, each of

1 whom shall have such authority and duties as may be specified in the bylaws. The
2 chairperson or, in the chairperson's absence or disability, the vice-chairperson, shall
3 preside at all meetings of the interstate commission. The officers so elected shall serve
4 without compensation or remuneration from the interstate commission; provided that,
5 subject to the availability of budgeted funds, the officers shall be reimbursed for ordinary
6 and necessary costs and expenses incurred by them in the performance of their
7 responsibilities as officers of the interstate commission.

8 9 C. Executive Committee, Officers and Staff

10 1. The executive committee shall have such authority and duties as may be set forth
11 in the bylaws, including but not limited to:

12 a. Managing the affairs of the interstate commission in a manner consistent

19 advance the purpose of the interstate commission.

20 2. The executive committee may, subject to the approval of the interstate
21 commission, appoint or retain an executive director for such period, upon such
22 terms and conditions and for such compensation, as the interstate commission
23 may deem appropriate. The executive director shall serve as secretary to the

1 interstate commission, but shall not be a member of the interstate commission.

2 The executive director shall hire and supervise such other persons as may be
3 authorized by the interstate commission.
4

5 D. The interstate commission's executive director and its employees shall be immune from

8 relating to an actual or alleged act, error, or omission that occurred, or that such person
9 had a reasonable basis for believing occurred, within the scope of interstate commission

11 from suit or liability for damage, loss, injury, or liability caused by the intentional or
12 willful and wanton misconduct of such person.

13 1. The liability of the interstate commission's executive director and employees or
14 interstate commission representatives, acting within the scope of such person's
15 employment or duties for acts, errors, or omissions occurring within such person's
16 state may not exceed the limits of liability set forth under the constitution and
17 laws of that state for state officials, employees, and agents. The interstate
18 commission is considered to be an instrumentality of the states for the purposes of
19 any such action. Nothing in this subsection shall be construed to protect such
20 person from suit or liability for damage, loss, injury, or liability caused by the
21 intentional or willful and wanton misconduct of such person.

22 2. The interstate commission shall defend the executive director, its employees, and
23 subject to the approval of the attorney general or other appropriate legal counsel

2 **RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION**

3
4 A. Rulemaking Authority - The interstate commission shall promulgate reasonable rules in
5 order to effectively and efficiently achieve the purposes of this compact.
6 Notwithstanding the foregoing, in the event the interstate commission exercises its
7 rulemaking authority in a manner that is beyond the scope of the purposes of this
8 compact, or the powers granted hereunder, then such an action by the interstate
9 commission shall be invalid and have no force or effect. Any rules promulgated by the
10 commission shall not override the state’s authority to govern prescription drugs or each
11 state’s prescription monitoring program.

12
13 B. Rulemaking Procedure - Rules shall be made pursuant to a rulemaking process that
14 substantially conforms to the “Model State Administrative Procedure Act,” of 1981 Act,
15 Uniform Laws Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate to the
16 operations of the interstate commission.

17
18 C. Not later than thirty (30) days after a rule is promulgated, any person may file a petition
19 for judicial review of the rule; provided, that the filing of such a petition shall not stay or
20 otherwise prevent the rule from becoming effective unless the court finds that the
21 petitioner has a substantial likelihood of success. The court shall give deference to the
22 actions of the interstate commission consistent with applicable law and shall not find the
23 rule to be unlawful if the rule represents a reasonable exercise of the interstate

1 commission's authority.

2
3 **ARTICLE X**

4 **OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION**

5
6 A. Oversight

- 7 1. The executive, legislative and judicial branches of state government in each
8 member state shall enforce this compact and shall take all actions necessary and
9 appropriate to effectuate the compact's purposes and intent. The provisions of
10 this compact and the rules promulgated hereunder shall have standing as statutory
11 law but, shall not override the state's authority to govern prescription drugs or the
12 state's prescription monitoring program.
- 13 2. All courts shall take judicial notice of the compact and the rules in any judicial or
14 administrative proceeding in a member state pertaining to the subject matter of
15 this compact which may affect the powers, responsibilities or actions of the
16 interstate commission.
- 17 3. The interstate commission shall be entitled to receive all service of process in any
18 such proceeding, and shall have standing to intervene in the proceeding for all
19 purposes. Failure to provide service of process to the interstate commission shall
20 render a judgment or order void as to the interstate commission, this compact or
21 promulgated rules.
- 22

1 B. Default, Technical Assistance, Suspension and Termination - If the interstate commission
2 determines that a member state has defaulted in the performance of its obligations or
3 responsibilities under this compact, or the bylaws or promulgated rules, the interstate
4 commission shall:

5 1. Provide written notice to the defaulting state and other member states, of the
6 nature of the default, the means of curing the default and any action taken by the
7 interstate commission. The interstate commission shall specify the conditions by
8 which the defaulting state must cure its default.

9 2. Provide remedial training and specific technical assistance regarding the default.

10 3. If the defaulting state fails to cure the default, the defaulting state shall be
11 terminated from the compact upon an affirmative vote of a majority of the
12 member states and all rights, privileges and benefits conferred by this compact
13 shall be terminated from the effective date of termination. A cure of the default
14 does not relieve the offending state of obligations or liabilities incurred during the
15 period of the default.

16 4. Suspension or termination of membership in the compact shall be imposed only
17 after all other means of securing compliance have been exhausted. Notice of
18 intent to suspend or terminate shall be given by the interstate commission to the
19 governor, the majority and minority leaders of the defaulting state's legislature,
20 and each of the member states.

21 5. The state which has been suspended or terminated is responsible for all dues,
22 obligations and liabilities incurred through the effective date of suspension or

1 termination including obligations, the performance of which extends beyond the
2 effective date of suspension or termination.

3 6. The interstate commission shall not bear any costs relating to any state that has
4 been found to be in default or which has been suspended or terminated from the
5 compact, unless otherwise mutually agreed upon in writing between the interstate
6 commission and the defaulting state.

7 7. The defaulting state may appeal the action of the interstate commission by
8 petitioning the U.S. District Court for the District of Columbia or the federal
9 district where the interstate commission has its principal offices. The prevailing
10 party shall be awarded all costs of such litigation including reasonable attorney's
11 fees.

12 13 C. Dispute Resolution

14 1. The interstate commission shall attempt, upon the request of a member state, to
15 resolve disputes which are subject to the compact and which may arise among
16 member states.

17 2. The interstate commission shall promulgate a rule providing for both mediation
18 and binding dispute resolution as appropriate.

19 20 D. Enforcement

21 1. The interstate commission, in the reasonable exercise of its discretion, shall
22 enforce the provisions and rules of this compact.

1 activities of the interstate commission on a non-voting basis prior to adoption of the
2 compact by all states.

- 3
- 4 C. The interstate commission may propose amendments to the compact for enactment by the
5 member states. No amendment shall become effective and binding upon the interstate
6 commission and the member states unless and until it is enacted into law by unanimous
7 consent of the member states.

8

9 **ARTICLE XII**

10 **WITHDRAWAL AND DISSOLUTION**

11

12 A. Withdrawal

- 13 1. Once effective, the compact shall continue in force and remain binding upon each
14 and every member state; provided that a member state may withdraw from the
15 compact by specifically repealing the statute which enacted the compact into law.
- 16 2. Withdrawal from this compact shall be by the enactment of a statute repealing the
17 same, but shall not take effect until one (1) year after the effective date of such
18 statute and until written notice of the withdrawal has been given by the
19 withdrawing state to the governor of each other member state.
- 20 3. The withdrawing state shall immediately notify the chairperson of the interstate
21 commission in writing upon the introduction of legislation repealing this compact
22 in the withdrawing state. The interstate commission shall notify the other

1 member states of the withdrawing state's intent to withdraw within sixty (60) days
2 of its receipt thereof.

3 4. The withdrawing state is responsible for all dues, obligations and liabilities
4 incurred through the effective date of withdrawal, including obligations, the
5 performance of which extend beyond the effective date of withdrawal.

6 5. Reinstatement following withdrawal of a member state shall occur upon the
7 withdrawing state reenacting the compact or upon such later date as determined
8 by the interstate commission.

9
10 B. Dissolution of the Compact

11 1. This compact shall dissolve effective upon the date of the withdrawal or default of
12 the member state which reduces the membership in the compact to one (1)
13 member state.

14 2. Upon the dissolution of this compact, the compact becomes null and void and
15 shall be of no further force or effect, and the business and affairs of the interstate
16 commission shall be concluded and surplus funds shall be distributed in
17 accordance with the bylaws.

1 **ARTICLE XIII**

2 **SEVERABILITY AND CONSTRUCTION**

3
4 A. The provisions of this compact shall be severable, and if any phrase, clause, sentence or
5 provision is deemed unenforceable, the remaining provisions of the compact shall be
6 enforceable.

7
8 B. The provisions of this compact shall be liberally construed to effectuate its purposes.

9
10 C. Nothing in this compact shall be construed to prohibit the applicability of other interstate
11 compacts to which the states are members.

12
13 **ARTICLE XIV**

14 **BINDING EFFECT OF COMPACT AND OTHER LAWS**

15
16 A. Other Laws

- 17 1. Nothing herein prevents the enforcement of any other law of a member state that
18 is not inconsistent with this compact.
- 19 2. All member states' laws conflicting with this compact are superseded to the extent of
20 the conflict.

21
22 B. Binding Effect of the Compact

- 1 1. All lawful actions of the interstate commission, including all rules and bylaws
2 promulgated by the interstate commission, are binding upon the member states.
- 3 2. All agreements between the interstate commission and the member states are
4 binding in accordance with their terms.
- 5 3. In the event any provision of this compact exceeds the constitutional limits
6 imposed on the legislature of any member state, such provision shall be
7 ineffective to the extent of the conflict with the constitutional provision in
8 question in that member state.
