Subject: 2012 Study Items for the Economic Development and Workforce Services Interim Committee

Dear Speaker Lockhart and President Waddoups:

On behalf of the Economic Development and Workforce Services Interim Committee, we have completed an initial study item prioritization for the 2012 interim. The Committee will plan to study the following study items:

- Child Poverty and Welfare Data (item 147)
- Economic Development of Manufacturing (item 149)
- Housing Authority Waiting Lists (item 151)
- Impact of Workforce Services' Modernization (item 152)
- Follow-up on Department of Community and Culture Restructuring
- Economic Development Issues
- Unemployment Insurance Trust Fund Issues
- Capitol Facilities Grants Process for Community and Culture Projects

As time permits and the need arises, additional items may be added as part of the Committee's general oversight responsibilities to "investigate and study possibilities for improvement in government services within its subject area" (see IR2-1-101(3)).

Sincerely,

Stuart C. Reid, Senate Chair
