MEMORANDUM FOR LEGISLATIVE MANAGEMENT COMMITTEE

FROM: Sen. Stuart Adams and Rep. Gage Froerer,
Co-Chairs of the Infrastructure and General
Government Appropriations Subcommittee

DATE: June 11, 2012

SUBJECT: Request for Authorization for Interim
Subcommittee Meetings

The Infrastructure and General Government Appropriations Subcommittee requests authorization for a two day tour of infrastructure in the state with an overnight stay in Cedar City, Utah. The proposed dates for the tour are September 25 and 26 which would constitute the two authorized subcommittee meetings for the 2012 Interim.

The subcommittee makes recommendations and prioritizes funding for capital infrastructure. Onsite tours and inspections allow the subcommittee to better understand agency and institutional requests. Last year the subcommittee toured building and highway facilities along the Wasatch Front. This year the subcommittee proposes site visits south of the Wasatch Front including:

- Utah Valley University (Classroom building request)
- Spanish Fork canyon and Highway 6
- USU College of Eastern Utah in Price (Arts and Ed. building request)
- Snow College in Ephraim (Science building remodel request)
- State Prison in Gunnison
- DTS Data Center in Richfield
- Southwest ATC in Cedar City (Health Science and IT building request)
- Landslide cleanup on SR-14 (east of Cedar City)
- Southern Parkway in Washington County
- Dixie ATC in St. George (Main campus building request)

As time allows on the tour, the following agenda items are also proposed:

- Debt Service update
- DFCM report on Capital Improvement funding
- UDOT construction update
- DFCM construction update
