

# UCAT AND SLCC CUSTOM FIT

HIGHER EDUCATION APPROPRIATIONS SUBCOMMITTEE  
 STAFF: ANGELA J. OH, SPENCER PRATT

ISSUE BRIEF

**SUMMARY**

The Custom Fit training programs at the Utah College of Applied Technology (UCAT) and the Salt Lake Community College (SLCC) provide training to Utah employers; it is tailored to meet their specific educational needs. The programs are also designed to attract new businesses and aid in the retention and expansion of existing ones.

**DISCUSSION AND ANALYSIS**

The tables below show a breakdown of the range of hours and the number of trainees for FY 2013 for Custom Fit services offered by UCAT and SLCC.

| UCAT Custom Fit FY 2013 |                    |                |                                     |
|-------------------------|--------------------|----------------|-------------------------------------|
| Hours                   | Number of Trainees | % of Total     |                                     |
| 0-25                    | 10,886             | 84.75%         | Number of Trainees 12,845           |
| 26-50                   | 1,317              | 10.25%         | Number of Training Hours 214,827    |
| 51-75                   | 378                | 2.94%          | Average Number of Hours/Trainees 24 |
| 76-100                  | 133                | 1.04%          |                                     |
| 101-200                 | 113                | 0.88%          |                                     |
| 201-300                 | 7                  | 0.05%          |                                     |
| 301-400                 | 4                  | 0.03%          |                                     |
| 401-500                 | 6                  | 0.05%          |                                     |
| 501-600                 | 1                  | 0.01%          |                                     |
| <b>Total</b>            | <b>12,845</b>      | <b>100.00%</b> |                                     |

| SLCC Custom Fit FY 2013 |                    |                |                                     |
|-------------------------|--------------------|----------------|-------------------------------------|
| Hours                   | Number of Trainees | % of Total     |                                     |
