SR-107 (300 North), from SR-126 to 1500 West	UDOT	Clearfield	Currently drafting a written agreement to transfer 2 miles of SR-107 (300 North) to local entities, with 1.5 miles transferred to Clearfield from SR-126 to 1500 West, and ½ mile to West Point from 1500 West to SR-108 (2000 West). As part of the transfer, UDOT is completing a $1.3 million bridge rehabilitation project over the railroad with estimated completion by the end of 2014. The transfer has been proposed because a new 3-mile extension of SR-193 will come onto the state systems when construction is complete in summer 2014.
