- Governor's Office:
 - On PACE to 66% by 2020
 - Initial Strategic Planning Framework
- Education First

Thematic Analysis

Plan Development Process

Vision Statement

Utah invests in the long-term prosperity of our residents, our health and well-being, and our economic future through education. Utah promotes a stable and sustainable system of education from early childhood through adulthood to enrich the life experiences, civic engagement, and opportunities of all Utahns.

Guiding Principles

Provide Actionable Strategies and Tactics

Provide Measureable and Achievable Outcomes

Provide Accountability and Transparency

Ensure and Maximize Adequate Resources

Ensure Opportunities for Every Student, Including Underserved Students

Seamlessly Align PreK-16+

Build Support for Education

Strategic Plan Framework

Anchors

Anchor 1:
Increase Content Proficiency and Achievement for all Students

Anchor 2:
Expand Access, Participation, and Completion

Anchor 3:
Enhance Educator Preparation & Professional Practice

Anchor 4:
Identify and Target Resources to Maximize Outcomes

Anchor 5:
Meet Critical Economic and Employer Needs

Anchor 6:
Enhance Partnerships

Anchor 7:
Adopt Innovative and Evidence-Based Practices

Anchor 8:
Enhance Outcome Reporting

Vision Statement

Utah invests in the long-term prosperity of our residents, our health and well-being, and our economic future through education. Utah promotes a stable and sustainable system of education from early childhood through adulthood to enrich the life experiences, civic engagement, and opportunities of all Utahns.
