

STATUTORILY REQUIRED REPORTS
Chair Recommendations

The Legislative Management Committee has asked that each interim committee review the reports that statute requires agencies to submit to the committee with the goal of streamlining the reporting process and eliminating any reports that the committee no longer sees as necessary or of sufficient value. The table below includes the chairs' recommendations for all of the ongoing reports that will continue without legislation action.

Report Topic	Content	Chair recommendation	Other(s) that statute directs the entity to report to	Reporting Entity	Requirement
