### Interested in a STEM career?

There are many well-paying, rewarding career opportunities available in STEM (Science, Technology, Engineering, Mathematics) fields.

Whatever your interests, discover your career path with our updated UtahFutures career planning services!

Careers

Learn about careers and how to find a job.

Assessments

Take an assessment to get to know yourself and the types of jobs, careers and programs that might interest you.

College

Find out what you want to study, where you want to go, and how to pay for it.

Community Partners

Search information on Utah businesses and learn how they help students prepare for a career.

## Q1 Accomplishments

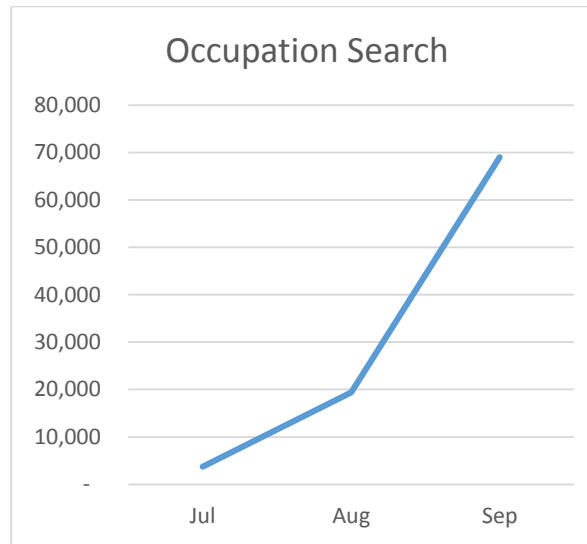

### (July – September 2015)

1. Established UtahFutures Steering Committee per Executive Order of Governor Herbert
2. Transferred management to UETN; completed contract payments to bring Utah back into good standing with vendors/suppliers
3. Contracted with four providers for UtahFutures programming, hosting, and tools
4. Created governance website to increase transparency <http://www.uen.org/utahfutures/>
5. Established Strategic Plan and Budget for FY2016 including performance measures
6. Convened Advisory Board; established website priorities and use cases for developers
7. Established ongoing work processes, meetings, outage notification procedures with DTS
8. Hired one full-time program coordinator and one full-time technical trainer (Oct.)
9. Coordinated with DTS on their statement of work for website development and monthly hosting services; drafted legal contract between UETN and DTS for these services
10. Obtained approvals from U of U Purchasing for UETN to contract with DTS
11. Developed FY2017 legislative request with input from Steering Committee and partners
12. Developed *UtahFutures OnRamp* for training, promotion, and governance information (Scheduled to launch by end of October)
13. Established new partnerships with United Way of Salt Lake and Hirevue
14. Expanded partnerships with similarly aligned projects like American Graduate, StepUP Utah, Centsible Student, and others
15. Increased social media activity and outreach

## Adopted by the UtahFutures Steering Committee July 1, 2015
