

Proposed Additions and Deletions to State Highway System

October 2015 Report

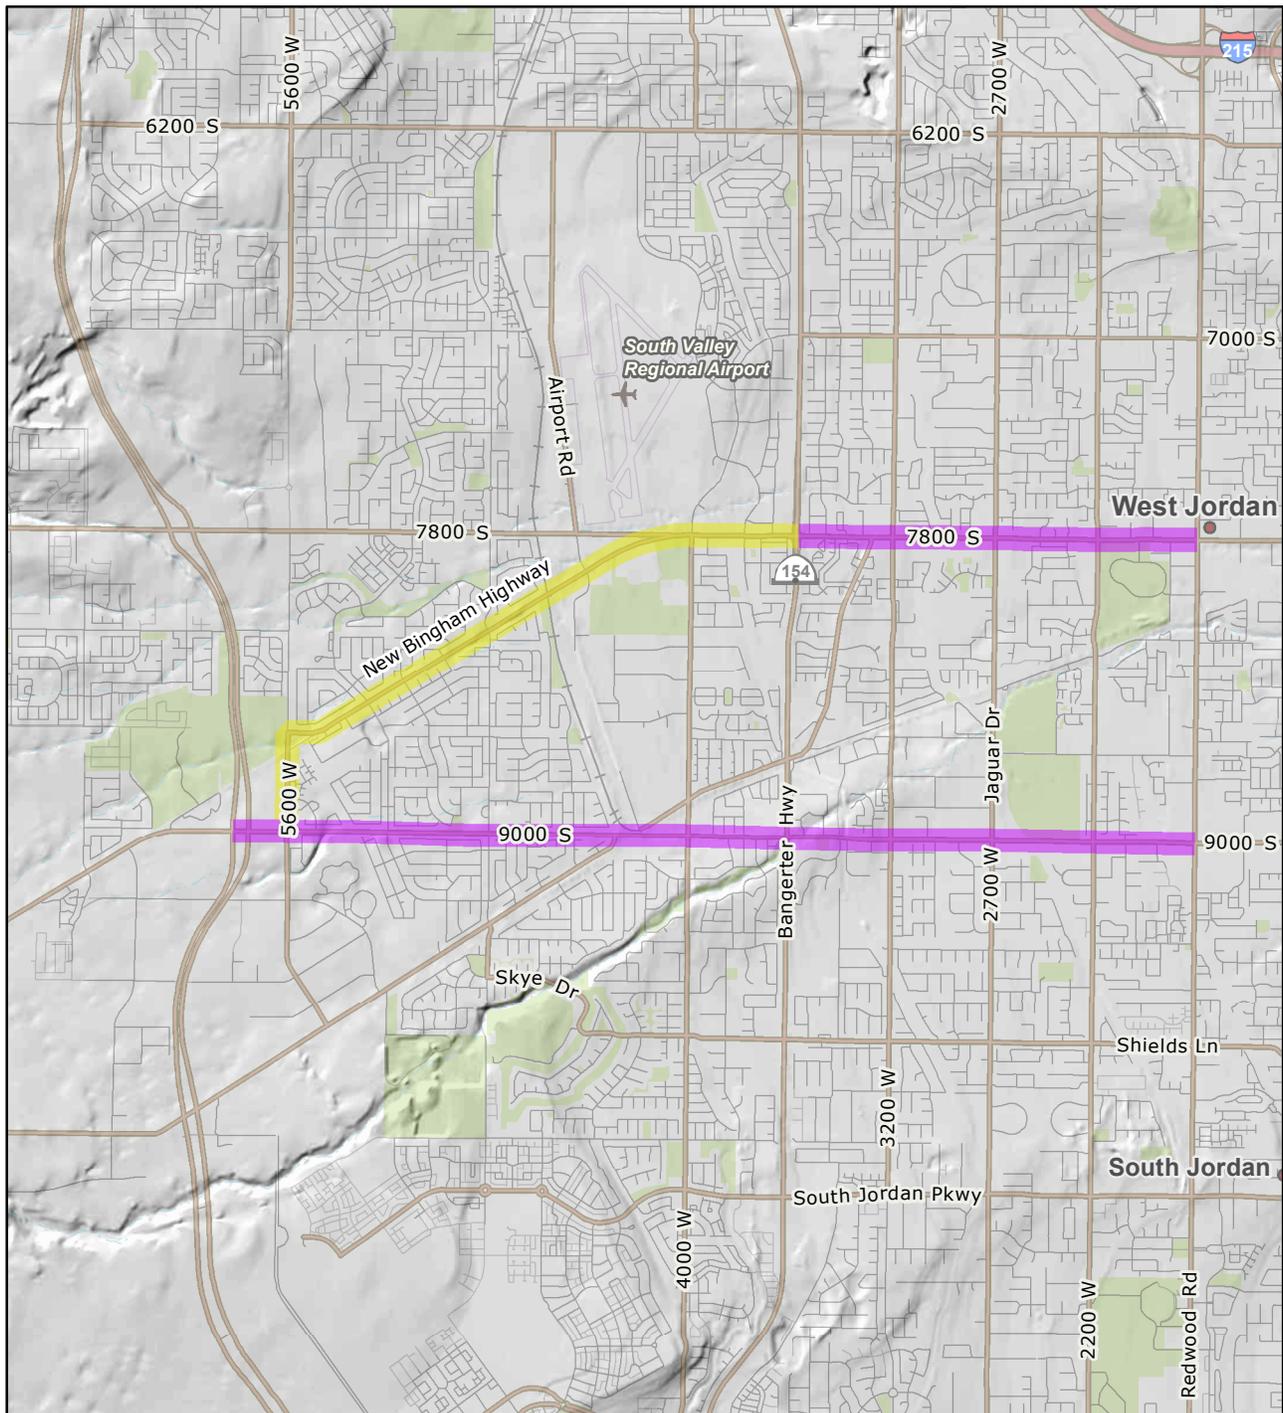

Route	Current Jurisdiction	Proposed Jurisdiction	Comments
SR-107 (300 North), from SR-126 to 1500 West	UDOT	Clearfield	Transfer 3 miles of SR-107 (300 North) to local entities. As part of the transfer, UDOT completed a bridge rehabilitation project over the Railroad, completed in September 2015.
SR-107 (300 North), from 1500 West to 3000 West	UDOT	West Point	The transfer has been proposed because a new 3 mile extension of SR-193 was added to the state system in summer 2014.

Proposed Additions and Deletions to State Highway System

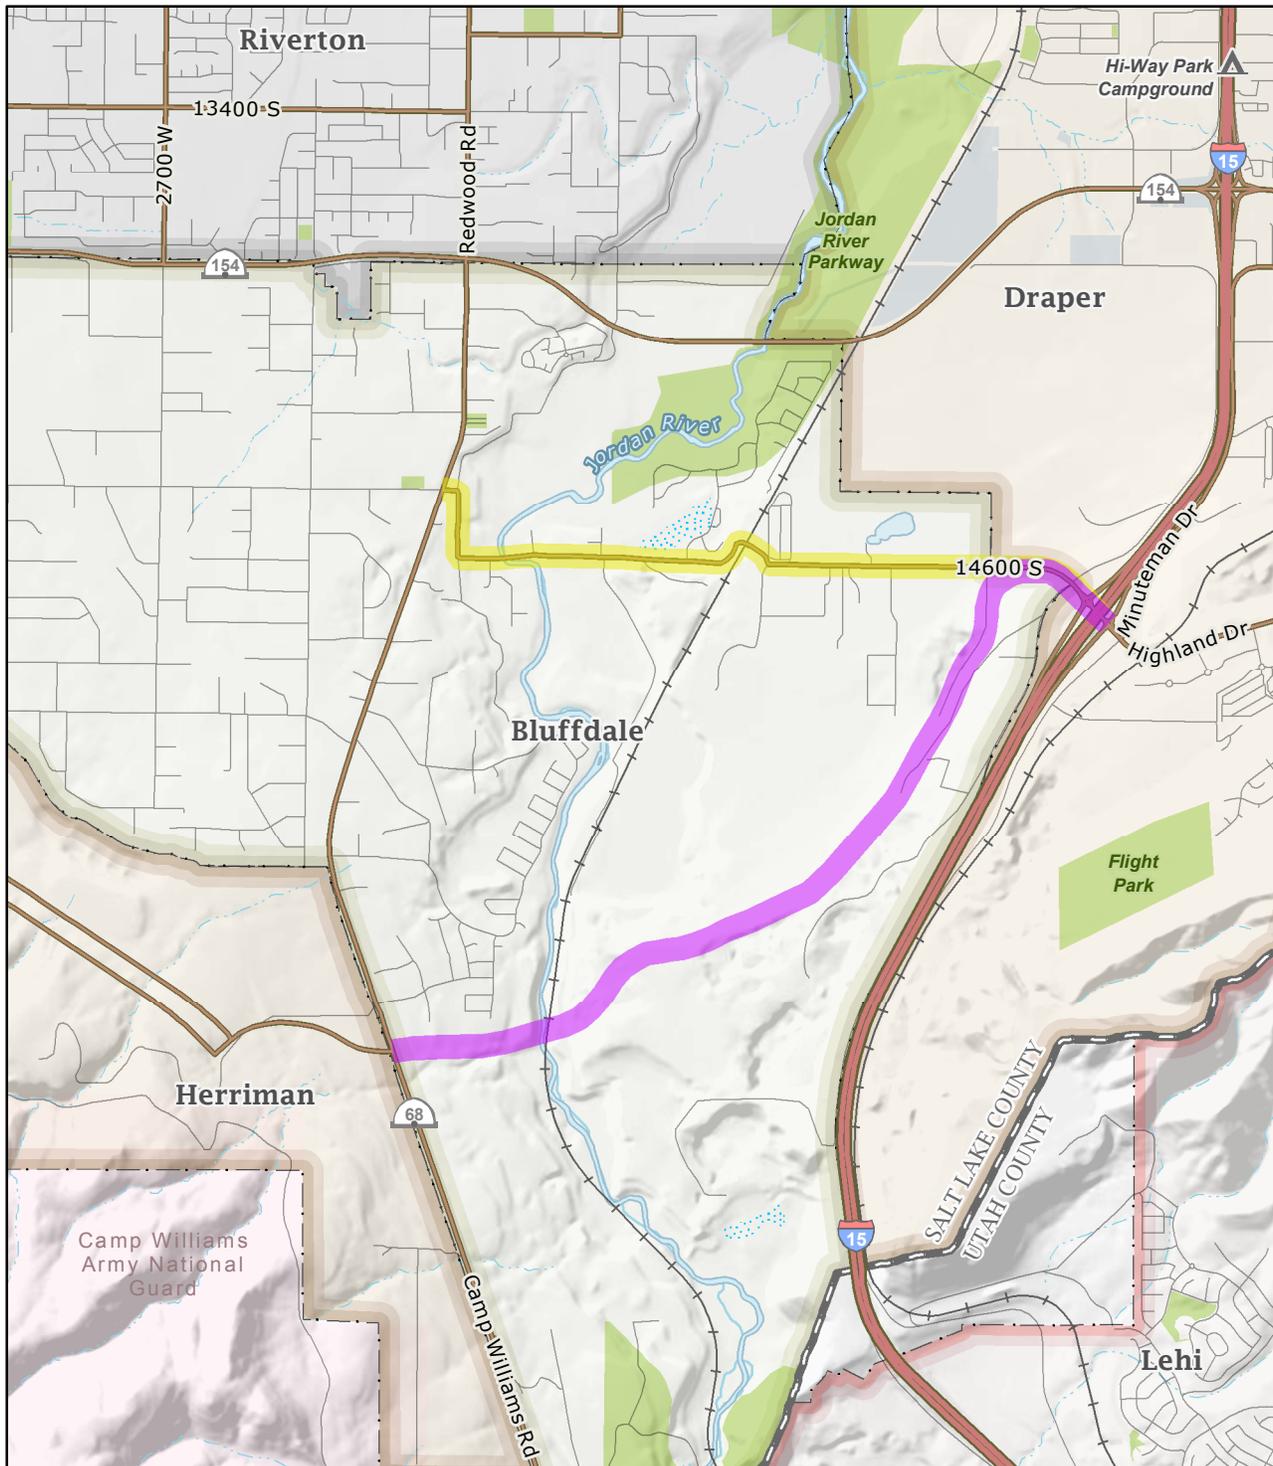

October 2015 Report

Route	Current Jurisdiction	Proposed Jurisdiction	Comments
SR-48	UDOT	West Jordan	West Jordan City completed the transfer of 9000 South from Mountain View Corridor to Redwood Road to the state highway system. In exchange, the state highway system transferred ownership to West Jordan City a portion of SR-48 from 9000 South (east of Mountain View Corridor) to Bangerter Highway. UDOT will retain ownership of SR-48 between Bangerter and Redwood Road, and the City will provide general maintenance, including snow removal, for this section of roadway.
9000 South	West Jordan	UDOT	

Proposed Additions and Deletions to State Highway System October 2015 Report

Route	Current Jurisdiction	Proposed Jurisdiction	Comments
14600 South (SR-140)	UDOT	Bluffdale	Discussions underway to transfer 14600 South (SR-140) from Redwood Rd to 800 W to Bluffdale City in exchange for a new section of road, which would be Porter Rockwell Boulevard from Mountain View Corridor to I-15.
Porter Rockwell Boulevard	Bluffdale	UDOT	

Proposed Additions and Deletions to State Highway System October 2015 Report

Route	Current Jurisdiction	Proposed Jurisdiction	Comments
SR-73, SR-68 to SR-145 (Pioneer Crossing)	UDOT	Saratoga Springs	Transfer of ownership is currently in process, with expected completion by end of 2015. This change was caused by construction of Pioneer Extension, which accommodates the regional functionality formerly provided by SR-73 at this location.
