Administrative Rules Review Committee

April 21, 2016

Methamphetamine Decontamination

Discussed [concerns](#) raised by Utah Apartment Association that some of the methamphetamine testing methods allowed by Department of Health [administrative rule](#) yield inaccurate test results. The association stated that, based on the test results, property owners are required to pay the cost of cleaning up properties that do not exceed safe levels.

Judicial Nomination Standards

Discussed a concern raised by a legislator that the application form that is provided by the [Commission on Criminal and Juvenile Justice](#) includes "diversity on the bench." The legislator argued that judicial selection criteria should be set by state statute rather than by wording in an application form.

Discussed the potential merits of establishing the "diversity on the bench" criteria either in statute or by administrative rule. The Utah Commission on Criminal and Juvenile Justice expressed intentions to recommend removal of the "diversity on the bench" selection criteria from the application form and add the language to the commission's administrative rules.

May 10, 2016

Student Right To Active Counsel

Discussed 2016 General Session [H.B. 337](#), "Student Right to Active Counsel," which did not pass. The bill would have:

- Enacted the Campus Individual Rights Act;
- Required an institution of higher education to allow certain parties to have legal representation at a disciplinary proceeding;
- Governed the exchange of evidence at a disciplinary proceeding; and
- Prohibited certain conflicts of interest in a disciplinary proceeding.

Victim Reparation and Restitution

Discussed the victim reparation and restitution processes and the related [state statutes, administrative rules, and court rules](#) with the Office for Victims of Crime, the Administrative Office of the Courts, and the Department of Corrections.
