

Summer Appropriations Subcommittees 2016 Interim

Option 1: Status Quo – Allow appropriations subcommittee chairs to schedule meetings at dates and times of their choosing.

Option 2: July and October – Schedule appropriations summer meetings on the Tuesday before and Thursday after Interim Day in July and October. Example:

Meeting 1:

A Block – July 12 (BEDL, NRAEQ, PED) (EAC at 2:00 pm)

B Block – July 14 (EOCJ, HED, IGG, SS)

Meeting 2:

B Block – October 18 (EOCJ, HED, IGG) (EAC at 2:00 pm)

A Block – October 20 (BEDL, NRAEQ, PED, SS)

Option 3: June, July, September and October – Schedule appropriations summer meetings on the Thursday after Interim Day in June, July, September, and October. Example:

Meeting 1:

A Block – June 16 (BEDL, NRAEQ, PED, SS)

B Block – July 14 (EOCJ, HED, IGG)

Meeting 2:

A Block – September 22 (BEDL, NRAEQ, PED, SS)

B Block – October 20 (EOCJ, HED, IGG)

In any of the above options, Management Committee could approve a third optional floating meeting so that subcommittees could hold approved meetings away from the State Capitol.

Motion: I move to approve at least two meetings of Appropriations Subcommittees during the 2016 Interim Session. The meetings will be tentatively scheduled as follows: Block A (Business, Economic Development, and Labor; Natural Resources, Agriculture, and Environmental Quality; Public Education, Social Services) – June 16 and September 22; Block B (Executive Offices and Criminal Justice; Higher Education; Infrastructure and General Government) – July 14 and October 20. Appropriations Subcommittees may request of the Management Committee a third, optional meeting, that they might combine with one of the above fixed date meetings to accommodate tours or off-site meetings.
