

Subcommittee Questions from the 2016 General Session from Non-state Agencies

Question: Representative Tanner (2/9/16) (to Ms. Oxborrow with Utah Domestic Violence Coalition) What are they doing to help the male perpetrators of domestic violence?

Answer from the Utah Domestic Violence Coalition: “Regarding Representative Tanner's question: while we do not currently offer services directly to men who have perpetrated domestic violence, we offer this range of services, in partnership with our membership programs, to support safety for individuals and communities throughout Utah.”
