MEMORANDUM

To: Speaker Gregory H. Hughes, Chair
President Wayne L. Niederhauser, Vice Chair
Legislative Management Committee

From: Senator Howard A. Stephenson, Chair
Representative Steve Eliason, Chair
Representative Michael S. Kennedy, House Vice Chair
Public Education Appropriations Subcommittee

Date: June 6, 2016

Subject: Approval of Meeting Date Change

On May 17, 2016, the Legislative Management Committee approved two meetings for joint appropriations subcommittees. The dates approved for the Public Education Appropriations Subcommittee are June 16, 2016 and September 22, 2016. Due to scheduling conflicts, we plan to cancel our June meeting and request approval for a third meeting in August, currently scheduled for August 4, 2016. The meeting will be held in the State Capitol Building (Room 445) and will likely be a full-day meeting.

We have agreed to study certain issues with the Speaker, President, and the Executive Appropriations Committee chairs. We will divide these study items among the two meetings and will report back any findings or actions taken by the subcommittee.
