## MEMORANDUM

President Wayne L. Niederhauser, Vice Chair  
Legislative Management Committee

From: Senator Stephen H. Urquhart, Chair  
Representative Keith Grover, Chair  
Representative Jon Stanard, House Vice Chair  
Higher Education Appropriations Subcommittee

Date: June 6, 2016

Subject: Approval of Meeting Date Change

---

On May 17, 2016, the Legislative Management Committee approved two meetings for joint appropriations subcommittees. The dates approved for the Higher Education Appropriations Subcommittee are July 14, 2016 and October 20, 2016. Due to scheduling conflicts, we plan on canceling the July meeting, but request approval of a third meeting on August 2, 2016. This meeting will be held in the Mountainland Applied Technology College at Thanksgiving Point and will begin at 1:00 pm.

We will study the issues previously discussed with the Speaker, President, and the Executive Appropriations Committee chairs. We will divide these study items between the August and the October meetings and will report back any findings or actions taken by the subcommittee.
