Dear Gentlemen:

Contribution Commitment

We recently discussed with the First Presidency the desire of the state legislature to make significant improvements to the Utah State Fairpark, including the development of a multi-purpose arena that would enable the Days of '47 Rodeo to relocate to the fairgrounds.

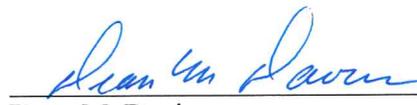

The First Presidency was in favor of this effort and authorized a contribution of \$3 million to help fund the project with the understanding that it would provide a permanent venue for the Days of '47 Rodeo.

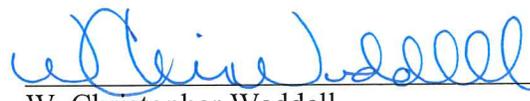

We express our appreciation for your leadership on the project to upgrade the fairgrounds and feel confident that it would be a marvelous blessing for the people of the state of Utah.

Sincerely,

The Presiding Bishopric

  
Gérald Caussé

  
Dean M. Davies
