Speaker Gregory H. Hughes, Chair  
President Wayne L. Niederhauser, Vice Chair  
Legislative Management Committee  
State Capitol Complex  
Salt Lake City, Utah 84114

Dear Speaker Hughes and President Niederhauser,

As chairs of the Political Subdivisions Interim Committee, we request approval to add the Utah 3-1-1 Help Line to our committee's list of study items.

While not originally anticipated, we believe this to be a timely topic that will benefit from interim study. Our committee has made progress on our other assigned study items, and we do not believe this addition will hinder our ability to successfully complete those assignments.

Thank you for your consideration of our request.

Sincerely,

*Sen. Daniel Thatcher / MB*
