Subject: Request Permission to Add an Extra Meeting Date

Dear Speaker Hughes and President Niederhauser,

At its September 21, 2016, meeting, the Revenue and Taxation Interim Committee discussed tax related business incentives with particular emphasis on property taxes and tax increment financing. Due to a packed agenda and a high level of interest, the committee was unable to devote a sufficient amount of time to this issue. Furthermore, the two remaining interim meetings will not provide adequate time to study this important issue along with all the other tax issues we have committed to examine. Therefore, we respectfully request permission to hold one additional Revenue and Taxation Interim Committee meeting sometime before November 30 to study our assigned issues and tax related business incentives.

Thank you for your consideration of this request.

Sincerely,
