

Business and Labor Interim Committee
DRAFT -- Conclusions Reached for Study Items Assigned by Legislative Management Committee
 November 2016

Background: The Legislative Management Committee (LMC) assigned five study items to the committee. LMC asked that the committee reach, by motion and vote, a conclusion for each study item. The committee chairs are scheduled to report to LMC, stating the conclusion reached by the committee and summarizing the reasons for reaching the conclusion. Also, the Legislative Audit Subcommittee assigned an audit to the committee.

Study Item	Committee Conclusion
Alcoholic Beverage Control Policy - to study policy issues related to alcoholic beverage control.	Two different bills proposed
Occupational and Professional Licensing - to study issues related to the effectiveness of the Occupational and Professional Licensure Review Committee.	Still studying
Motor Vehicle Insurance Minimum - to study issues related to the minimum level of insurance required to operate a motor vehicle.	No consensus
Revised Business Corporate Act Amendments - to study whether to modify provisions regulating business corporations.	Adopted legislation
Grand Boulevards Corridor Plan - to study issues related to the Grand Boulevards Corridor Plan, which is a master planning effort relative to creating a first-class entrance and exit to Salt Lake City.	No proposal ever received
Payday Lending - to study issues from the audit.	Adopted legislation
