

35/90 Surcharge: Final Thoughts

Presentation to the Judiciary Interim Committee
November 16, 2016

Surcharge amounts state-wide

Factors in surcharge decrease

- Case filings in District and Justice courts have decreased ~5% per year starting in FY2011.
- Fluctuations in collection rates of fines and fees

Factors mitigating decrease

- May 13, 2014: Judicial Council amended bail and fine schedule to raise many fines and fees
 - Every speeding fine level increased by \$29-\$35
 - Other driving violations increased as well
 - Reckless Driving: \$623 → \$680
 - Failure to stop/yield/signal: \$90 → \$120
- Marginal improvements in the collection of fines and fees beginning in FY2015
