The Honorable John E. Swallow  
Attorney General of Utah  
Utah State Capitol Complex  
350 North State Street, Suite 230  
Salt Lake City, UT 84114-2320

Dear Attorney General Swallow,

I am writing you in my capacity as chair of the Utah House Special Investigative Committee, which has been charged by the Utah House of Representatives to investigate allegations of misconduct levied at you. In our most recent meeting on November 5, 2013, we were informed that you have given sworn testimony in the investigation being conducted on behalf of the Utah State Lieutenant Governor's Office. We were also informed that, because of agreements between the parties to that investigation, the transcript of that sworn testimony may only be released by (1) a court order, or (2) the consent of the Lieutenant Governor's Office, you, and Softwise, Inc.

Our committee believes that testimony in the transcript and the exhibits associated with the testimony are extremely important to the work of the committee and are important in determining the truth of the allegations that have been raised against you in a timely matter.

I urge you to formally provide us with your consent to releasing the transcript and its exhibits to the committee at the earliest opportunity, and to encourage the other parties to provide the required consent. Providing these documents to the committee voluntarily—instead of litigating the issue in the court system—will save time and effort, and will spare the citizens of the state of Utah the expenditure of a significant amount of taxpayer funds on legal fees and costs.

I appreciate your attention to this matter and look forward to promptly hearing your position on this matter.

Sincerely yours,

James A. Dunnigan
