
Fiscal Note
Bill Number HB0020

24-Jan-98

10:49 AM

No significant State or local government fiscal impact. Some General Funds may be generated from the filing of rate modification forms from firms not currently offering this benefit.

There may be some fiscal impact on small and/or private insurers who do not currently provide the benefit. Additional insurance benefits would result in added costs. The costs of mandated coverage could be removed by: 1) reducing other benefits; 2) increasing premiums; 3) reducing insurance company profits; or 4) increasing insurance company losses.
