Bill Number HB0045S1

16-Feb-98

7:26 AM

This bill would increase license fees charged for fishing and hunting small game. These changes would generate \$500,000 in General Fund Restricted - State Fish Hatchery Maintenance Account revenue during the last half of FY 1999 and \$1,000,000 in FY 2000. The funds generated would be used for major repairs or replacement of facilities and equipment at fish hatcheries owned and operated by the Division of Wildlife Resources. The bill would also eliminate the Commercial Bird Hunting area fee. It is estimated that the loss of revenue from that fee's elimination would amount to \$12,800 in both FY 1999 and FY 2000.
