
Fiscal Note
Bill Number HB0120

*03-Feb-98**9:18 AM*

This legislation makes changes in the Office of Licensing and creates a Licensee Training Restricted Account. It authorizes the Office to impose fines for licensing violations. Fines are estimated to raise approximately \$20,000 annually. Elimination of some licenses and changes in others should result in an offsetting loss of approximately \$2,500 annually. The legislation does not specify what funds are to be deposited into the new Licensee Training restricted account, but the Analyst assumes that all additional revenue will be deposited into the General Fund.
