
Fiscal Note
Bill Number SB0020

19-Jan-99

12:33 PM

Any reduction (or additions) to the length of term on a criminal sentence would occur years later, at the end of the term. The number of cases impacted by the changes in this bill are assumed to be minimal. Mental evaluations required by a special mitigation request would be handled as part of existing routine mental evaluations.

Individual and Business Impact

A few cases of homicide may have conditions that allow the judge to reduce the sentence and thereby reduce the length of term in prison somewhat.
