
Fiscal Note**Transportation Corridor Preservation Act***17-Jan-00***Bill Number HB0165***5:47 PM*

No additional fiscal impact is expected to administer provisions of this bill. Potential savings will be realized by the Department of Transportation if future corridors for highways are not developed and rights of way can be purchased on undeveloped properties.

Individual and Business Impact

Individuals and businesses could be affected if a given property is designated as a corridor and does not inflate in value as rapidly as it might have as a developable property.
