**Fiscal Note**  
**Bill Number SB0016**

**Child Firearm Access Prevention Amendments**

*14-Jan-00*

*4:39 PM*

---

The number of anticipated cases brought under this bill with other existing charges is thought to be very small and accommodated within existing budgets at both the state and local level.

---

**Individual and Business Impact**

Wholesale and retail firearms sales firms will have some additional costs for signs which will probably be passed on to consumers through pricing. The bill also limits damage awards to \$500,000 for failure to secure firearms from juveniles.
