Mental Health and Corrections Law Amendments

14-Feb-00

1:17 PM

This bill removes the requirement that funds for treatment of individuals in Corrections' custody at the State Hospital be appropriated to the Department of Corrections. As a result, \$190,000 currently budgeted in Corrections, will be transferred to the State Hospital budget. The State Hospital budget will decrease its "Transfers" revenues by \$190,000 and increase its General Fund revenue by \$190,000. There is no net fiscal impact to the General Fund.
