

AMENDED NOTE**State Impact**

It is estimated that this bill will increase revenue to the Commerce Service Fund by approximately \$10,500 per year from licensing fees. It will require an appropriation of \$19,000 from the Commerce Service Fund to the Department of Commerce to implement the provisions of the bill. Included in this amount are funds that may be paid for legal services by the Department to the Attorney General's Office.

Appropriations from the Commerce Service Fund affect the amount available for transfer to the General Fund. The General Fund reduction of \$8,500 is the net difference between the amount appropriated and the revenue generated by the bill.
