

**State Impact**

It is estimated that this bill will increase revenue to the Commerce Service Fund by approximately \$419,100 every other year from licensing and renewal fees. An estimated \$50,000 will be collected in the intermediate year. It also creates a restricted account with revenue estimated at \$15,000 per year.

It will require an appropriation of \$151,700 from the Commerce Service Fund to the Department of Commerce to implement the provisions of the bill. Included in this amount is \$28,400 that may be paid for legal services to the Attorney General's Office.

Appropriations from the Commerce Service Fund affect the amount available for transfer to the General Fund. Provisions of this bill will supplement the General Fund with \$267,400 for FY 2002 from the excess Commerce Service Fund revenue.
