Bill Number SB0168

Certain Municipal Services in First Class Counties

02-Feb-01

1:36 PM

State Impact

No state fiscal impact.

This bill will shift responsibility for detective services including taxing authority and revenue from first class counties to municipalities within the county. The total shift from Salt Lake County is \$12,700,000.

Individual and Business Impact

Some property tax payers may see a decrease while others may see an increase according to where they live and what options municipalities exercise.
