
Fiscal Note

Net Metering of Electricity

10-Jan-02

Bill Number HB000712:55 PM

State Impact

No fiscal impact.

Individual and Business Impact

Those who use net metering may be subsidized by those who do not in the amount of \$0.00000067 per KiloWatt hour. UP&L supplies about 18,780,000,000 kWh annually in Utah. This would equate to approximately \$12,500 annually.
