
Fiscal Note
Bill Number SB0022

Attempted Murder Amendments

09-Jan-02

8:48 AM

State Impact

No significant fiscal impact in the near future. Increased costs to the Department of Corrections for additional incarceration time would not be realized for seven to ten years. These costs are estimated to be minimal.

Individual and Business Impact

There could be an increased length of stay in prison for those convicted under this legislation which may affect their long-term personal earnings.
