
Fiscal Note**Bid Requirements on County or Municipal Construction Projects***27-Feb-02***Bill Number SB0102s3***11:24 AM*

State Impact

While no fiscal impact to State budgets, passage of this bill could increase or decrease construction costs to counties, school districts and special districts depending on the number and size of the bids being received.

Individual and Business Impact

Passage of this bill may increase contractor accessibility to county, school districts and special district projects.
