

SIXTH SPECIAL SESSION

State Impact

Passage of this bill would cap the amount captured by water at \$16,243,000 annually. It would also cap the amount distributed to B & C roads at \$18,743,000 annually. Any excess collection would accrue to the General Fund. It is estimated that this amount could be up to \$2,000,000 annually. Local governments would have less money available for water and road projects.

Individual and Business Impact
