

**State Impact**

This bill will cost an additional \$6,029,600 in federal TANF funds. Of that amount, \$736,000 is for administration and \$5,293,600 is additional benefits. Pending reauthorization may increase demand for TANF funds. If this amount is not available, other current uses of TANF will have to be curtailed. Administration costs are reduced in FY 2005.
