
Fiscal Note
Bill Number SB0039

Amendments to the Utah Antidiscrimination Act

21-Jan-03

7:55 AM

State Impact

Increasing the number of employers and employees subject to Utah's Antidiscrimination Act the bill could result in an increase of about 30 additional complaints to investigate, the cost of which would not be eligible for federal reimbursement. It is estimated that this can be done within existing budgets.

Individual and Business Impact

No fiscal impact.
