Continuing Education for Contractors

02-Mar-04

Bill Number HB0105S016:56 PM

AMENDED BILL**State Impact**

By amendment, the first year of fiscal implementation is FY07. At that time, the bill will require an additional Customer Service Technician at a cost of \$44,100 in the first year and \$36,600 in the second from the Commerce Service Fund. Spending from the Commerce Service Fund could affect revenue available to the General Fund.

Individual and Business Impact

Contractors will be required to pay for continuing education and cover the lost work time.
