

State Impact

Higher standards of proof in termination trials is estimated to cost the Courts and the Attorney General's Office \$118,100 (\$111,100 General Fund), including \$1,000 in one-time costs. There could be additional impact from changes in standards for removal hearings and possibilities of parents rejecting an appointed Guardian Ad Litem, but estimates are difficult to quantify. Federal revenues would be dependent upon expenditures of State funds.
