Bill Number HB0320

Transferability of Credits Among Higher Education Institutions

06-Feb-04

8:36 AM

State Impact

No fiscal impact to higher education. However, passage of this bill could potentially save the State the full cost of instruction for students that retake courses when they transfer to four year universities.

Individual and Business Impact

Passage of this bill could save students the cost of tuition associated with having to retake courses because the four year institutions would be accepting transfer credits for General Education and "Pre-major" courses..
